# GREAT DAY! TOURS

**60 Years of Service to Travelers!**

**Motorcoach Tours plus Charter, Fly-Packages & Cruises**

## TRAVEL WITH A COMPANY YOU CAN TRUST

All of us on the Great Day! Tours team hope that you, your families and your travelers are ready to travel to these great destinations throughout the coming months.

As we enter our 60th year, we are proud to present you with this 2024 Tour Book that offers more great tours than ever for groups of 25 or more passengers. You are sure to find destinations that will provide "just the right travel experience" for your travelers. See Page 3 and mark your calendar for July 10-12 and join us on our 60th anniversary tour.

2023 was a fantastic year with groups traveling in Ohio, across the country and to places like Iceland. At our Northern Ohio Group Leader Marketplace and Dinner Party last October, many of our group leaders learned about new and trending destinations, the cruise industry and how a smaller group can travel on our Scheduled-Departure tours. Mark your calendars for Friday, September 27 for this invitation-only event for trip coordinators booking their tours and buses through our office.

Smaller groups with less than 25 travelers have continued to take advantage of our Scheduled-Departure Tours which are fully escorted, have convenient departure points and you save 5% (with 10 or more passengers - see details below). Groups of 25 or more can customize the package with pricing and complimentary packages based on the number of passengers. Our buying power, combined with our reliable business model, allow us to offer exceptional prices for 2024.

Thank you for traveling with Great Day! Tours. As you review this tour book, please keep in mind the quote from an unknown author "We travel not to escape life, but for life not to escape us".

### Scheduled Tour Note to Group Leaders

**DEAL WITH GREAT DAY! TOURS . . . DON'T RISK LOSING YOUR DEPOSIT**

**Our policy is simple:** Should you book a group tour package (where we make all the reservations) and cancel due to lack of people, the tour deposit/coordination charge is transferable to the final payment for the next group tour package booked. The tour may be cancelled up until five weeks prior to the original departure date in order to have that deposit transferred. Payments not refunded to us from our suppliers are, of course, neither refundable, nor transferable, to your group. Please remember that we can typically run the same tour with fewer passengers, including any distancing your group may prefer, although the price per person may increase. All credits are good only through the Great Day! Tours office. Receipt of deposit will be considered as acceptance of terms and conditions.

**Creative Salvation:** If you're having difficulty filling a bus, call our Tour Office (before you cancel the trip), to discuss alternatives for "salvaging your trip". In many cases our Reps will be able to suggest ways for your group to still take their trip, even with fewer passengers. This often permits the tour to operate and reduces the chance of lost deposits. We also offer a number of Scheduled-Departure Tours that do not require the group to fill the bus.

**Travel Insurance:** Travel Insurance is an option available for any group tour passengers. See Page 39 for details. Please note that the entire group does not have to purchase this additional protection, just those wanting it . . . but please be sure you let them know of the availability of this protection.

## HELPFUL HINTS WHEN PLANNING A TOUR

- Narrow down the tours that you are considering to two or three choices and present each option to the group.
- Give your group enough advance notice of the tour date(s).
- Find out the price range the group is willing to pay and how inclusive they would like the package to be.
- Give your group specific deadlines for signing up. Then offer the tour to friends of group members already on the tour.
- Base the price on fewer than a full bus (possibly 30-38). The passengers will never refuse a refund or an additional meal on the tour if you get more passengers than you expect. We typically price group tours this way.
- Advertise your tour at your local senior center, church, workplace, social media, local paper or newsletter.
- After sending in your deposit, have your Great Day! Tours Rep create a promotional flyer.
- **Never cancel a tour** without contacting Great Day! Tours. We will do our best to help you salvage your tour.
- Great Day! Tours motorcoach packages make great fundraising events.
- Don't forget about our Scheduled Tours that don't require your group to fill a bus; "comps" are still available.
- **We can customize any package you are considering - even if it is not in this book. Beware of out-of-state companies that offer low-price packages. Our tour experts can design a more "inclusive" tour at a great rate for what you get.**

## You think you have to cancel? . . . Call us before you do

Upon notification that a group will be participating in a tour, various costs are incurred by the tour company including the processing of documents and payments, confirming reservations with suppliers (and, in some cases, "guaranteeing" reservations and payments) and other incidental costs of mailing, printing and postage. In the case of some tours, the number of sign-ups as of a specific date may determine whether a tour will even operate.

**For those groups having to cancel a motorcoach tour, your money will be cheerfully refunded in full, less any money not refunded back from our suppliers and less the tour coordination charge and any applicable bus cancellation charge.** It is recognized that, occasionally, a passenger may have to "cancel out" from an anticipated tour for a number of reasons. Certain tours which involve non-refundable payments including, but not limited to, New York City, Branson and Toronto shows, certain hotels, dinner-theaters, cruises and "purchased packages", especially those that include airline tickets, are not refundable if the passenger cancels, unless we are able to re-sell those tour inclusions. Passengers, and those who may be signing up other passengers, are advised and are to recognize that, if a portion of, or all, of the costs are not refunded to Great Day! Tours, they will not be refunded to the customer.

Passenger and Group Leader are to recognize, and agree, that this, and all other, cancellation refund policies apply whether payment was made by a credit card charge (called-in or in-person), in cash, by money order, gift certificate, check or through the use of a previously-issued credit. Great Day! Tours is not responsible, in any way, for refunds not received from suppliers. Single supplement charges for the remaining passengers are the responsibility of the person that cancelled and will be deducted from any applicable refund. The company shall not be required to refund any portion of the tour charge paid by a passenger who fails, for any reason during the tour, to be aboard the bus at the time that it departs from any destination or stop enroute and shall not be responsible for lodging, meals, transportation or other expenses incurred by the passenger as a result thereof. Policies differ, and may be more stringent, for cruises, fly-packages and tours assembled by others.

Where all, or part, of a passenger or group payment has been made by a credit card, any applicable refunds will be made only by a credit against that original card; no obligation for a refund or credit is due for "no-shows" at the designated tour departure points, no matter what the form of payment was; specific refunds for these cases, and for other cancellations, will be reviewed based on doctor-certified illnesses or hospitalizations and/or death of either passenger or traveling companion and, again, are subject to receipt of same from our suppliers, less processing charges. It is agreed that refunds may be made as checks, credits to credit card accounts, partial credits towards future group tours or a combination thereof. Credits are not applicable towards Scheduled Tours or Charters.

### Other Cancellation Information

Great Day! Tours is not responsible for the cost of any associated purchases, including show or airline tickets, which a customer may purchase on their own, to be used in conjunction with an anticipated tour or cruise since, on occasion, Great Day! Tours, or its suppliers, may have to cancel that tour. No responsibility, financial or otherwise, is assumed by the company for passengers not at the designated location to depart on a tour or cruise. Where transfer service is included in the package, such as from airport to dock or tour departure point, this is included only for those purchasing entire packages, including air service, into which these costs have been incorporated.

## Tour & Trip Interruption Insurance - ID # 356116

*Cruise & Tour Insurance* provides additional protection for travelers and should be considered in your groups travel planning. This type of insurance is a relatively broad, and inexpensive, package which Great Day! Tours & Charter Bus Service is recommending to its group and scheduled-departure passengers, as well as cruise and fly passengers, as this insurance provides additional protection. This is an especially important "option" for those who may have concerns, should they have to cancel, and want to be able to reduce the risk of a financial loss for refunds not received. **Be sure all of your passengers know of this protection.**

**Great Day! Tours strongly recommends travel Insurance from NTA Travel Protection.** Their *Cruise & Tour Insurance* provides coverage while traveling on a tour as well as a cruise. For your convenience, travel Insurance can be purchased by phone:

**1-800-388-1470 -- ID # 356116**

**NTA Travel Protection** has a brochure which describes coverages, limitations and exceptions which should be read carefully. This insurance coverage is being offered for those group passengers wanting protection which might not otherwise be available. By offering this optional insurance, it is each group passenger's option to purchase it. While **Great Day! Tours will continue to maintain its practice of returning those costs refunded to us if a passenger should have to cancel from a Great Day! Tours motorcoach tour,** those refunds by Great Day! Tours shall be considered as full and final settlement with the passenger(s), without dispute, for any cancellation. No further refunds shall be provided if the insurance is not purchased for this coverage. To purchase insurance for additional coverage, advise them of this Identification Number: 356116.

Any questions regarding policy coverage, payment and reimbursement, should there be a claim, is strictly a matter between the insurance company and that individual. Specific details of coverage, and carrier, may vary. The group leader and passengers should be aware that Great Day! Tours & Charter Bus Service is not responsible for failure of individual to purchase such coverage, for specific coverage or for refunds for passengers cancelling a tour, for whatever reason, with or without insurance coverage. The product descriptions provided here are only brief summaries. The full coverage terms and details, including limitations and exclusions, are contained in the insurance policy. ## IT'S EASY TO BOOK A GROUP BUS TOUR OR CHARTER A BUS WITH JUST ONE PHONE CALL — PLEASE READ CAREFULLY

- Step 1:** Review the various group destinations in this book or other literature you may have received from various sources.
- Step 2:** Call (440) 526-5350 or (800) 362-4905 to receive a proposal for the date you are considering.
- Step 3:** Send in the \$100 deposit/coordination charge to **Great Day! Tours, 375 Treeworth Blvd., Cleveland, Ohio 44147**. Be sure to include your name, address and phone number as well as tour destination, date of trip, pick-up point, group name, and number of passengers. (We assume 54 unless otherwise notified). It is the responsibility of the Group Leader to be sure that the group has permission to park at your designated pickup point. It is essential that if your group has any special needs, you must tell us at this time. Having to reschedule times (even for something as simple as a coffee stop) at a later date could jeopardize being able to make the scheduled stops and become a possible disappointment to the group.
- Step 4:** A Charter Order/Confirmation will be sent to you for your review and approval; it will detail the payment requirements. Review each detail before signing and returning. Cancellation charges and any other applicable refund/charge policies are considered to be in effect based on submission of deposit rather than the signing the charter order contract.

### GRATUITIES

Tips and all applicable taxes are included on all meals (unless noted on contract or itinerary), rooms and admissions which are included in the tour price. Tips to the Driver and Guides, as applicable, are left to the group's discretion. While customary and sincerely appreciated, they are never obligatory. Practices on casino meal tips to servers may vary.

### TOUR PRICING / COMPLIMENTARY TRIP PACKAGES FOR GROUP COORDINATORS

All tour prices quoted will be based on a specific number of passengers. We recognize the work of Trip Coordinators and typically include two free trip packages, unless otherwise requested by the group. Group Leader "comps" in effect only if payment for all passengers is made in one check, not by individual payments. Prices can be varied to accommodate any size group or different numbers of free trip packages. Fuel surcharges may apply if the cost of fuel changes substantially, although this is not anticipated. On overnight tours where Group Leader elects to stay in a single, that Group Leader is responsible for paying the "single supplement". Group Leader "comps" also available on our Scheduled-Departure Tours; call for details.

### LOCAL GUIDES AND TOUR DIRECTORS

All group tours are Driver-escorted for your enjoyment. Many of the tours also include Local Guides whom, we have found, are generally best-equipped to describe their area to your group. Great Day! Tours Tour Directors are available to escort your group tour, at an extra cost, and are included on most all Scheduled-Departure Tours.

### OTHER NOTES TO GROUP COORDINATORS

- 1) All tours are based on availability at time of order. While not anticipated, all offerings are subject to change.
- 2) No buses will be reserved nor packages set up until the \$100 per bus coordination charge is received. To assure motorcoach availability, the Group Coordinator may place the deposit on their MasterCard, VISA, Discover or American Express credit card. The deposit is non-refundable except where we cannot secure bus, rooms, or major attractions at the time of deposit. We recommend booking early. The right is reserved to substitute specific stops, lodging facilities and/or meals based on availability (or other factors). Casino bonuses are subject to change.
- 3) Group members should be advised that some suppliers, especially certain hotels, have strict policies regarding deposits and may release rooms with or without refunds should payments and/or rooming lists not be received on their indicated "due dates."
- 4) Because of the very competitive rates offered, all trips are quoted on a specified number of passengers and payment by check. Fewer passengers, or payment by credit card, could increase the per person price. Should you encounter trouble filling a bus, call our office first and we'll certainly attempt to work with you to "salvage" the trip for your group . . . before you cancel the tour.
- 5) All overnight tour prices are quoted based on double occupancy. Single supplements and triple deducts are generally available. Group Leaders are responsible for assuring that their passengers understand that triple or quad room accommodations are generally based on two beds in the room. We do not encourage this practice and make no promise that a third bed (or cot) will be provided. Should a third bed (or cot) be provided upon arrival, this could be done at additional cost which would be the responsibility of the passenger requesting it. Any charges for smoking in a non-smoking room will be the responsibility of the passengers in that room.
- 6) No responsibility is incurred by this company for travelers not at a departure point at designated times. Failure to depart at the scheduled time due to the group waiting for passengers shall leave no liability on Great Day! Tours' part for late arrivals, shortened visits or missed attractions. We cannot be responsible for weather or traffic-caused delays; additional rooms, meals are the customer's responsibility.
- 7) Passengers with special needs, such as diabetes, should be advised to carry food or other items in case a meal is served later or an unexpected delay is encountered. Special requests must be made as early as possible but cannot be guaranteed, including vegetarian/vegan meals as well as specific food allergies.
- 8) Refunds for passengers who are unable to make the trip will be made based on a review of the variable costs refunded to us by the suppliers. Group Leader is responsible for assuring that all passengers are aware that Trip Interruption & Cancellation Insurance is available and agrees, for those on his/her tour, that the customer has agreed to accept the refund, should they cancel, without dispute, whether they have purchased insurance or not.
- 9) Any check returned to us for insufficient funds will be charged a service charge of \$35 per check.
- 10) When it comes to driving with cannabis across state lines, the language of the law is plain and simple: it's a federal offense. Even if you're driving between two recreational states that border one another. Federal regulation prohibit any drug or product of this type aboard the coach.
- 11) Various steps have evolved to adapt to the changing needs for safe travel and the decision remains with the Group Leader since you booked the entire coach. Masks are optional and no one is to travel if not feeling well. Coaches are deep-cleaned prior to service and touch-surfaces are routinely wiped down during the tour. No responsibility is assumed by the company for any, or all, sickness or viruses that may develop as a result of a tour. Group assumes all situations and/or sickness and outcomes that may occur as a result of travels aboard the tour.
