Great Day! Scheduled Tour Summary

TEXAS LONGHORN EXPERIENCE   **WED, JULY 10, 2024**

Departure locations, as applic: Elyria, No.Olmsted, Middleburg Hts, Independence, Beachwood/Orange, Macedonia.

This tour to Southeastern Ohio focuses on one of the more popular destinations in this region. We will be arriving at a ranch in the beautiful Appalachian foothills. A number of famous people came from this area, including Hopalong Cassidy, Oliver North, Andre the Giant and George Lucas. This "working ranch" is famous for breeding quality cattle which are sold and transported world-wide, with the majority of the beef going to Poland, Canada, Brazil, New Zealand, Puerto Rico and Australia.

Of special notoriety, this is the largest ranch of its kind in the U.S. and the largest producer of "All natural pasture-raised lean beef" in Belmont County. Enjoy the pastures and surrounding beauty of nature during our visit. This tour includes each passenger receiving a small bag of "Cow Candy" for those enjoying treating these "Cast Members" to a tasty treat!

We will be boarding the Ranch Bus for a narrated tour, seeing (and hand-feeding) some of their 1000 Texas Longhorns, easily recognizable with the width of their horns. And, as with most all our tours, we will be enjoying a catered lunch while we are here, befitting the "flavor" of today's tour theme. We have, of course, set aside some time to visit their gift shop to pick up some things to take home . . . so feel free to bring a cooler with you on the trip.

$172 per person
