

# Great Day! Scheduled Tour Summary

**A DAY IN PUT-IN-BAY & THE JET EXPRESS**

**FRI AUGUST 2, 2024**

**Departures, as applic: Mayfield, Beachwood, Independence, Middleburg Hts, No.Olmsted, Elyria.**

Join us as we travel to Put-in-Bay on South Bass Island aboard the Jet Express; sit back for a comfortable, smooth ride aboard this catamaran-style vessel. This trip has been scheduled for a weekday, for those preferring to travel on what is typically a less-busy time. The average temperature on the Island for late-June is 75 degrees, typically with a gentle breeze greeting you.

You will have time to visit wineries, a car museum, Crystal Cave which is frequented by many visitors and the Perry Victory & International Peace Monument, not far from Rivera Park where the boat docks. The monument is 352-foot tall and remains the world's tallest Doric column. It was constructed over a four-year period, 1912 to 1915, and was designed after an international competition. This memorial was established to honor those who

fought in the Battle of Lake Erie during the War of 1812, and to celebrate the long-lasting peace among Britain, Canada and the U.S. While it bears the name of Oliver Hazard Perry, only the bodies of six men, three British and three American officers who died during the battle, are interred under its rotunda; Perry, himself, survived the Battle, and is buried in Newport, Rhode Island. On the walls, under the rotunda, are carved the names of soldiers and sailors who were killed or injured in the Battle of Lake Erie.

No matter what your taste in food may be, there are any number of restaurants to select from, including great seafood, or even such tasty dishes as lobster bisque at The Boardwalk.

Perhaps you prefer to purchase some fudge or a t-shirt, rent a bicycle or golf cart or a ride aboard the narrated Island sightseeing tram with stop-offs along the way.

Of course, there will be time to shop, browse or enjoy a beverage-of-choice, adult or otherwise, at one of the popular establishments before we depart the Island late afternoon for the return trip to board our motorcoach for home.
