SMALL TOWN AMERICA IN CENTRAL PENNSYLVANIA

Suggested tour length is 3 or 4 days

When you travel to Central Pennsylvania, you are in the land of Penn State College. You may or may not be a Nittany Lion fan when you arrive but you will leave a fan of Central Pennsylvania. There is so much for your group to see and do. Take a boat tour through Penn's Cave, tour historic towns and hotels, art trails and exhibits, local breweries, distilleries, wineries and cideries, the PA Military Museum and unique shops.

Enjoy fine dining or a cafe.

Other group tour favorites include:

Centre County/Penn State Visitor Center - View a video of the County, then meet your guide and enjoy a campus tour with optional stops at the All-Sports Museum (where you can enjoy a view of Beaver Stadium), Bryce Jordan Center, Medlar Field at Lubrano Park, Palmer Museum of Art, the Botanical Garden at the Arboretum, and the ever popular Nittany Lion Shrine. Tempt your tastebuds at one of the many eateries on campus or in downtown State College. Of course, no Penn State tour would be complete without a stop at the Famous Berkey Creamery where Ben and Jerry got their start.

Touring the Victorian Mansions in Historic Bellefontaine and a lovely afternoon Victorian Tea.

Visit Boalsburg - The Birthplace of Memorial Day, come for the history, shops and restaurants and to soak in that smalltown feeling.

Christopher Columbus Chapel/Boal Mansion - Enjoy a guided tour of the only tangible link to Christopher Columbus in the United States.
