MISSISSIPPI RIVER CRUISE ABOARD THE RIVERBOAT TWILIGHT

Suggested Tour Length - 4 Days but expandable up to 9 Days

Mark Twain said "nothing so liberalizes a man and expands the kindly instincts that nature put in him as travel and contact with many kinds of people." Cruise the Mississippi River much like Huckleberry Finn except you'll be in an elegant riverboat which features three decks with Victorian steamboat architecture, both inside and out. There are comfortable dining salons (pictured) and sun decks with lounge chairs to sightsee or to "catch a snooze." This is also a nature habitat for many rare species . . . you typically see 20 to 30 bald eagles on a cruise. This is a Great Day! Specialty tour.

ALL-DAY MISSISSIPPI RIVER CRUISE

Suggested Tour Length - 3 Days but expandable to 5 Days

Cruise the Mississippi river while relaxing in an outside deck chair, listening to the Captain's enlightening narration and watching the river go by. There is no better way to see the valleys, locks and river bends than from on the river. This vast wilderness is hidden smack in the center of our country. This is the river Mark Twain knew . . . and the area is not much different from the early explorer's times. If you haven't seen the river from the river, you haven't seen it.

- Customized package centered around the day long 83-mile cruise
- Lunch, dinner and snacks aboard the cruise
- Live entertainment as we cruise
- Expanded packages can include the Quad Cities (Isabelle Bloom factory tour, Arsenal Island, John Deere, dinner theatre, casino), Dubuque (National Mississippi River Museum, casino, winery), the quaint town of Galena or Chicago
