

Great Day! Scheduled Tour Summary

SPRING IN BAVARIAN MICHIGAN (EXTENDED)

SAT MAY 13, 2017

ALMOST LIKE TRAVELING TO GERMANY AT A MOST ATTRACTIVE PRICE!

Departures, as applicable, from Willoughby, Beachwood, Independence, Middleburg Heights, North Olmsted, Elyria, Sandusky.

Traveling to Frankenmuth is almost like going to Bavaria with its beautiful buildings, shops & attractions and its great food. Bavaria is the second largest state in Germany and is one of the oldest states in Europe with its capital being Munich. “Franken” depicts the province from which the founders came and “muth” means “courage” in German. You’ll be stepping into “the heart of Germany with your feet planted firmly in Michigan”. This year we have, at the suggestion of previous passengers, extended the shopping time in Frankenmuth, arriving earlier than our past trips.

The Frankenmuth Bavarian Inn & Lodge offers 13 acres of beautiful riverfront for a “casual stroll” as you listen to the hoofbeats of horse-drawn carriages and admire architectural gems such as their Glockenspiel and authentic wooden bridge.

Imported from Germany, their 50-foot tall Glockenspiel, topped off with a 356-bell carillon, has become a landmark that depicts the “Legend of the Pied Piper of Hamelin”.

Topping off our visit to the Inn we’ll be enjoying a fabulous feast all the way through dessert! No one ever goes away hungry! You will discover true Bavarian hospitality in this picturesque downtown area filled with its Olde World European flavor.

All tour details are anticipated at the time that the Scheduled Tour Brochure was prepared and specific stops and/or other inclusions are subject to change or elimination without notice. Tours typically depart between 5:15 AM and 7:15 AM with the exact time shown on the itinerary you will receive approximately one to two weeks prior to the tour departure. Most tours return about 9 PM to 10 PM, although this may vary.

This will be our 38th year of offering tours to this unique town.

No visit to this town would be complete without a visit to Bronner's, the world's largest CHRISTmas store, with five acres under one roof. Incorporating yet another suggestion, for those preferring to have more shopping time in the downtown area, you'll be able to stay here and, before the pickup is made at Bronner's, the coach will be returning to the Visitors Center to pick you up.

Don't miss a visit to the "Silent Night Chapel", fashioned after a chapel in Oberndorf, Austria, where the song "*Silent Night*" was first sung. But there are so many other sites to see and visit, too; you can pick up some fresh bakery or fudge to take home with you, or visit shops offering leather gifts, souvenirs, cuckoo clocks and so much more.

This tour is a Great Day! tradition . . . find out why as you enjoy great dining, shopping and browsing in Michigan's "Little Bavaria".
