

Great Day! Scheduled Tour Summary

PITTSBURGH TOURING, AVIARY, FINE DINING

TUE JUNE 20, 2017

Departures, as applicable, from Westlake, Elyria, North Olmsted, Middleburg Heights, Independence, Beachwood, Boston Heights.

This tour starts with dining at the fabulous Grand Concourse Restaurant in historic Station Square, an architectural wonder. Long ago, people came to this area to meet passengers arriving on the Pittsburgh & Lake Erie Railroad. Its passenger business thrived from 1879 through the late 1940's. Today it celebrates the history of that era and has become Pittsburgh's premier dining and entertainment destination. The restaurant, decorated in dark wood, is gorgeous. A Pittsburgh Guide will accompany us through Greater Pittsburgh on a narrated tour. From the comfort of our coach we will be seeing two of Pittsburgh's historic inclines, their stadiums, the downtown area and its various unique neighborhoods.

Our newest addition to the "Pittsburgh Tour Series" will include an escape to a vibrant world of birds at the one and only National Aviary. We will be encountering exotic, rare and endangered birds up close as you are "transported from rocky coastlines through a tropical rainforest to serene grasslands". There will be melodic calls, whistles and bellows as we travel the walk-through exhibits. There are live feedings and encounters that will have birds eating from your hands, providing "an intimate and informative look at their interesting natural habitats". The 500 birds range from vibrant song birds to powerful raptors and condors with a wingspan of 10 feet.
