

Great Day! Scheduled Tour Summary

VICTORIAN CHAUTAUQUA & ATHENAEUM HOTEL THURS JULY 13, 2017

Departures, as applicable, from Westlake Elyria, North Olmsted, Middleburg Heights, Independence, Beachwood, Willoughby, Ashtabula.

This upscale tour package attracts those who appreciate the “fantasy of the Victorian era”. This region of New York State is home to the Chautauqua Institution where we’ve included both a tour of the grounds as well as a classic luncheon with time for shopping and browsing.

We will be greeted at the gate to this impressive lakefront community to begin our “Chautauqua Experience” . . . and stepping back into another era with peace, prosperity and “refined sensibilities”.

Even your meal choices are “something special”. When booking, please advise if you would prefer **citrus-baked Pacific cod with tomato & garlic cream sauce, stuffed chicken breast with pan jus or grilled sirloin steak with Diane sauce**. What great selections!

It’s an interesting Victorian village and home to one of America’s oldest and most famous summer arts festivals. It’s a National Historic Landmark that was founded in 1874 by an inventor and a Bishop as a teaching camp for Sunday School teachers. Chautauqua provides a picturesque setting with a nineteenth century ambience and offers a richly-woven tapestry of programs that have attracted people to this pristine lakeside facility for more than a century.

In keeping with the upscale the menu selections, our luncheon will be served at the historic Athenaeum Hotel. This impressive hotel sits atop a tree-shaded hill overlooking picturesque Lake Chautauqua on the grounds of the Institution, serving guests since 1881.

All tour details are anticipated at the time that the Scheduled Tour Brochure was prepared and specific stops and/or other inclusions are subject to change or elimination without notice. Tours typically depart between 6 AM and 8 AM with the exact time shown on the itinerary you will receive approximately one to two weeks prior to the tour departure. Most tours return about 8 PM to 9:30 PM, although this may vary.

We have included a visit to the equally-impressive Fenton Mansion & Historical Center (also known as “Walnut Grove”). This Italianette Villa was built by New York’s Governor, Reuben Fenton, who made his fortune in the lumber business.

We will be enjoying a wine tasting this afternoon in this wine country and, for those with a “sweet tooth”, our Tour Planners have included a candy shop in the Chautauqua region. It specializes in various chocolates including chocolate potato chips, goat milk fudge and sugar-free peanut butter cups and pecan frogs. All this “classic elegance” has been combined into a one-day tour package that we have been offering, unchanged, for almost two decades.
