

# Great Day! Scheduled Tour Summary

**MYSTERY TOUR # 6013 – ALL NEW!**

**TUES-THURS JULY 25-27, 2017**

Departures, as applicable, from Elyria, North Olmsted, Beachwood, Middleburg Heights, Willoughby, Independence, Sandusky.

This new three-day/two-night Mystery Tour has entirely-new destinations that you have not seen in any of our tours in the past. We've got some great photos for those of you who are curious, but we do want to confide that it has absolutely nothing to do with any destination, whatsoever, that you will be seeing during this tour. Oh, by the way, for those who attempt to figure out where we are going, the pickup points just may be "discombobulated". The best part of this tour is that there is just one check-in, hotel-wise, and we will be using it as a "hub" as we spoke out to a number of interesting places.

While we hope that the "tour name, "6013" did not give away the destination, we will confide that one of the inclusions during this mystery tour will be a live matinee performance at a dinner-theater; it's a musical that spotlights the life of a popular singer, his love and faith and his struggle and success, while including about two dozen of his classic hits . . . while enjoying a tasty buffet dinner prepared by the in-house chef.

This tour does include fascinating stops as we travel to our destination, some history and historic places and, for those interested, a couple of hours to enjoy gaming after our dinner at a casino restaurant. There's so much more we could tell you but, then again, it wouldn't be a mystery, would it? Put your trust in our tour staff and join us to learn more about new places you and, most probably, not been to yet. While the destination may be a mystery to some, we do know that this package includes 5 meals.
