

# Great Day! Scheduled Tour Summary

**NATIONAL AIR MUSEUM, WRIGHT PATTERSON AFB SAT AUG 5, 2017**

Departures, as applicable, from Willoughby, Beachwood, Independence, Middleburg Heights, Medina, Mansfield, Columbus.

We are pleased to once again be offering this fascinating one-day tour to the National Museum of the United States Air Force at Wright Patterson Air Force Base near Dayton. This should be a perfect time, near the beginning of August and prior to school being back in session, to take a short jaunt to the Dayton area to visit these galleries. The displays present military aviation history and boast more than 360 aerospace vehicles and missiles, many of them being rare or one-of-a-kind, along

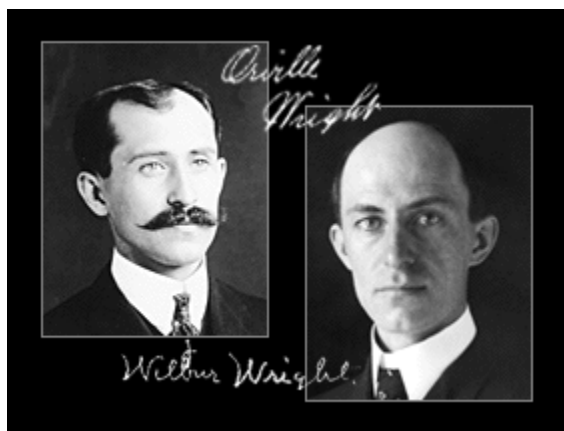

with thousands of historical items and “powerful sensory exhibits”. The Presidential Aircraft display has been relocated into the main museum and is spectacular.

You’ll be connecting with the Wright Brother’s legacy and how it led to today’s stealth and precision technology. Passengers over the age of eighteen will need valid photo identification and foreign nationals will need to have their passports.
