

# Great Day! Scheduled Tour Summary

**MARIETTA, WASHINGTON COUNTY**

**SAT AUGUST 12, 2017**

Departures, as applicable, from Elyria, North Olmsted, Middleburg Heights, Independence, Beachwood, Boston Heights, Akron North.

In 1788 pioneers of the Ohio Company made Marietta their first permanent settlement of the United States in the Northwest Territory. Join Great Day! Tours as we rediscover this picturesque riverboat town. In keeping with the theme, we've selected a historic dining establishment for your luncheon today. We have reservations at the Levee House, the only remaining original riverfront structure in historic Marietta. The building was erected circa 1826, back in the days that the river was the source of trade and transportation. It's fine dining in a casual atmosphere. You will have a choice of three entrées that can be pre-selected. When making reservations, please advise the Reservationist of your entrée choice:

- **Chicken Piccata**
- **Baked Ham**
- **Horseradish-Encrusted Salmon**

**GREAT DAY! TOURS & CHARTER BUS SERVICE . . . (440) 526-5350 . . . (800) 362-4905**

All tour details are anticipated at the time that the Scheduled Tour Brochure was prepared and specific stops and/or other inclusions are subject to change or elimination without notice. This tour will typically depart between 6 AM and 7:30 AM with the exact time shown on the itinerary you will receive approximately one to two weeks prior to the tour departure. Most tours return about 8 PM to 9:30 PM, although this may vary.

We will be visiting a candy company before traveling down to the dock area, just a few blocks from the restaurant, on the Ohio River. And, speaking of rivers, there is nothing like the gentle splash of the paddlewheel to remind you of a bygone era . . . and you'll be enjoying an afternoon sightseeing cruise aboard a modern-day sternwheeler capable of carrying almost 300 passengers.

Our company has chartered this riverboat for the afternoon cruise where you'll be enjoying the warm summer breeze. Marietta has two navigable rivers which made it ideal for industry and commerce. Boat building was one of the early industries.

After our cruise, we will be making a combination rest stop & shopping stop with everything from home goods to delectable foods including such unique items as trail bologna.
