

Great Day! Scheduled Tour Summary

ATLANTIC CITY BOARDWALK & OCEAN CITY MON-WED SEPT 18-20, 2017

Departures, as applicable, from Westlake, Elyria, North Olmsted, Middleburg Heights, Independence, Beachwood, Boston Heights.

This tour is not just a trip to Atlantic City as our staff has expanded it to include Ocean City, New Jersey, just minutes from Atlantic City, known for its casinos, boardwalk and its beach. Did you know that Atlantic City is actually located on Absecon Island on the coast of the Atlantic Ocean and dates back to 1854?

It is also the home of the Miss America Pageant. Did you know that Atlantic City served as the “inspiration for the original version of the board game *Monopoly*” that was invented by Charles Darrow and originally published by Parker Brothers?

With everything that Atlantic City has to offer, we’ve allowed for time so that you can enjoy the beach, the boardwalk and, of course, the casinos. This year we have reduced the price even more, thanks to the popularity of the tour.

Each passenger will be receiving bonuses totaling \$90.

- \$25 in free play
- two \$30 meal credits
- plus, a \$5 meal credit

But this tour is unique since we invite you to join us on Tuesday for several hours in Ocean City, a short drive of about 20 minutes from Atlantic City. Located in Cape May County, in the “Heart of the Jersey Shore”, the Travel Channel has rated Ocean City as the “Best Family Beach of 2005”. Interestingly, it is a contrast to Atlantic City since it has prohibited the sale of alcohol since its beginnings in the 1800’s. While part of this area has led to the television show of the same name, and the site of many students traveling here as what has been termed the “East Coast rite of passage”, we have selected a time when the city will be much more relaxed.

We will be staying at the ocean-view Resorts Casino Hotel. Since it’s opening as the first legal casino east of Las Vegas, Resorts is all about having fun. Now it is a Mohegan Sun property, too.
