

Great Day! Scheduled Tour Summary

MYSTERY RAIL EXCURSION

MON SEPT 18, 2017

Departures, as applicable, from Willoughby, Beachwood, Independence, Middleburg Heights, North Olmsted, Elyria, Sandusky.

This Mystery Rail Excursion is an entertaining dining experience aboard a train that offers "fine dining" along the way as we travel through the Michigan countryside. Passengers will be served a plated meal right at your table, four to a table in the traditional rail dining. Join us as we travel along the tracks of the Adrian & Blissfield Rail Road. It is, however, more than just a train ride and a great meal. "The train will be traveling along a segment of the original Erie & Kalamazoo Railroad Line that began operations in 1836, making this one of the very first railroads west of the Allegheny Mountains. Along the way you will travel through the rich farmland of Southeastern Michigan which is thought to have been, in prehistoric times, the bottom of an ancient lake that we now call Lake Erie".

You'll be entertained by a troupe of actors performing an interactive murder mystery with the passengers. The show is more of a comedy than a drama and is designed with adults in mind as it takes place through the dining cars. You will be amidst the intrigue, excitement, music and laughter; a cash bar is available. Because of the popularity of this tour, we've been able to keep the price the same for the third year in row.

\$136 per person
Third year, same price
