

# Great Day! Scheduled Tour Summary

## MOHAWK VALLEY & CATSKILL MOUNTAINS WED-FRI OCT 4 – 6, 2017

Departures, as applicable, from Westlake, Elyria, North Olmsted, Middleburg Heights, Independence, Beachwood, Willoughby, Ashtabula.

**WEDNESDAY** – American history & American pride – We will be traveling eastward with a coffee stop along the way. Our first stop will be at the Made in America Store. This store, which has been highlighted on national television networks, is the first of several planned for the country. It offers only products that are manufactured in the United States, including the

glue that is used for attaching the labels. Our next stop will be a true American historic site, the D & R Depot Restaurant, originally a B & O train station, where you can purchase lunch. Needless to say, this railroad depot is located along the railroad tracks in the little town of Le Roy, New York. Historic books relate that “In the days of the old railroads, travelers were greeted each day by a newspaper printed on the train from a wireless news service”.

We have also planned a “mystery (surprise) visit” this afternoon with admissions included. At the time announced, we will depart for North Hartford (New York, that is) to check into our hotel. Since we have been traveling today, we will be dining right at the hotel this evening.

**Bon Appetit! (D)**

**THURSDAY** – By rail and canal boat – After breakfast at the Inn we will depart for the Arkville

Train Station where we will be boarding the Delaware & Ulster Railroad, traveling over a rail line that dates back to 1866 when it was advertised as “The Only All-Rail Route to the Catskill Mountains”.

When signing up for this tour, either with our office or online, please advise your choice of entrees during our train excursion . . . **choose from Stuffed Pork Loin, Tortellini Primavera or Chicken Marsala.**

**GREAT DAY! TOURS & CHARTER BUS SERVICE . . . (440) 526-5350 . . . (800) 362-4905**

All tour details are anticipated at the time that the Scheduled Tour Brochure was prepared and specific stops and/or other inclusions are subject to change or elimination without notice. Tours typically depart between 6 AM and 8 AM with the exact time shown on the itinerary you will receive approximately one to two weeks prior to the tour departure. Most tours return about 8 PM to 10 PM, although this may vary.

We will be served specially-prepared meals as we travel through one of the most picturesque mountain ranges, experiencing the “Golden Age of Railroading”. At the conclusion of our rail trip we will be traveling to the dock at Gems Along the Mohawk to board the Lil’ Diamond Canal Boat that will be taking us on a narrated excursion through the Erie Canal.

We will be going through Lock 18 that lowers the boat to meet the Mohawk River. The canal, as you will learn, was the first route for settlements west of the Appalachian Mountains. Following our canal boat ride we will be dining at a popular dockside restaurant. **(B, L, D)**

**FRIDAY** – It’s German for “sunny hill” – After breakfast at the Inn, we will be traveling to Sonnenberg Gardens, a 40-room Queen Anne-style mansion set atop the hill of the estate. Since 1863 it has expanded and, today, includes beautiful gardens and even a winery. At the time announced, we will be departing for the short ride over to our special luncheon and, since we are in New York State’s Wine Country, we will be enjoying some wine with our meal. Afterwards, we will continue our trip homeward. **(B, D)**
