

Great Day! Scheduled Tour Summary

HOLIDAYS WITH THE BIRDS

FRI DEC 1, 2017

Departures, as applicable, from Westlake, Elyria, North Olmsted, Middleburg Heights, Independence, Beachwood, Boston Heights.

Here's a brand-new tour package for 2017 . . . and it's sure to put you into a good mood.

We will be starting out with a delicious dinner at one of the Pittsburgh area's top restaurant, along the river, with a choice of entrees; please advise us, when booking of your selection:

- **Lemon Chicken or Salmon as your entrée, with side dishes, beverage, rolls and dessert!**

Our next stop during this holiday season will be the country's largest aviary, and the only one accorded the honorary "National" status by the United States Congress. The National Aviary's collection features birds representing every continent except Antarctica. Many of these species are showcased in free-flight mixed species exhibits, to allow the birds to demonstrate natural behaviors.

While we have several tours that include this fascinating collection of birds, this should be a unique holiday experience since we've secured tickets for the "Wings in Winter Holiday Show" with the birds and music. Songs that you've come to know, such as "Noel" have been changed to reflect our "friends", with this number being entitled "No-owls".

You'll see Snowy Owls and Eurasian Eagle Owls on exhibit, Andean Condors that have been transported to the "Northside Pole" and a gift shop with holiday gifts that everyone will be "squawking about" from the National Aviary's gift and new garden shops.
