

Great Day! Scheduled Tour Summary

CELEBRATING THE HOLIDAYS AT MEADOW BROOK ESTATE

TUES DEC 5, 2017

Departures, as applicable, from Willoughby, Beachwood, Independence, North Olmsted, Middleburg Heights, Elyria, Sandusky.

The holidays are always a time to look forward to, the traditions, the ornaments and lights on decorated trees, and the “goodwill of man”. While we can enjoy all that we have now-a-days, it was back in the early 1900s that the rich and famous were known for their homes and hospitality to their friends.

Join us on this new tour as we travel to Rochester, Michigan, which is located north of Detroit, to celebrate the 46th year of this National Historic Landmark . . . all aglow with historic and holiday treasures.

Meadow Brook is the historic estate built by one of the automotive aristocracy’s most remarkable women, Matilda Dodge Wilson and her second husband, lumber broker Alfred Wilson. We’ll be “dining in style” touring the elegant rooms of the grand manor decorated for the holidays and, afterwards, we will follow the path to Knole Cottage and Danny’s Cabin.

While the menu occasionally changes, last year’s groups enjoyed salad, an entree of sautéed Hungarian beef tip paprikash with caramelized onions & bell peppers and a delicious dessert of white chocolate & dried cherry bread pudding with caramel sauce, whipped cream and a holiday garnish.

All tour details are anticipated at the time that the Scheduled Tour Brochure was prepared and specific stops and/or other inclusions are subject to change or elimination without notice. Tours typically depart between 8 AM and 9:30 AM with the exact time shown on the itinerary you will receive approximately one to two weeks prior to the tour departure. Most tours return about 10 PM to 11 PM, although this may vary.

We will be traveling the short distance to Auburn Hills, home of Sea Life at Great Lakes Crossing; admissions are included as we see thousands of amazing creatures from the marine world. We will be following the graceful cownose rays as they glide effortlessly through the tropical ocean tunnel, seeing a powerful Japanese crab or, if you are interested, touch a sea star or a crab.

Come nose-to-nose with sharks and meet their giant Pacific octopus, one of the ocean's cleverest creatures. Let Great Day! Tours be the first to introduce you to this great new Michigan attraction and its inhabitants.
