

# Great Day! Scheduled Tour Summary

**BOSTON POPS, 4<sup>TH</sup> OF JULY FIREWORKS**

**MON-FRI JULY 2 - 6, 2018**

Departures, as applicable, from Westlake, Elyria, North Olmsted, Middleburg Heights, Independence, Beachwood, Willoughby, Ashtabula.

We've had, over the years, several requests for an upscale holiday tour that includes the Boston Pops. Affectionately known as "America's Orchestra," the Boston Pops is the most recorded and arguably the most beloved orchestra in the country, beginning with the establishment of the modern-era Pops by Arthur Fiedler. In 2010, with the 125th anniversary season, the Boston Pops reached a landmark moment in a remarkable history that began with its founding by a Civil War veteran Henry Lee Higginson and founded the Boston Symphony Orchestra. From the start he intended to present, in the warmer months, concerts of light classics and the popular music of the day. From a practical perspective, he realized that these "lighter" performances would provide year-round employment for his musicians. The "Promenade Concerts," as they were originally called, were soon informally known as "Popular Concerts," which eventually became shortened to "Pops," the name officially adopted in 1900. This is your year to join with us as we sojourn to Boston.

**MONDAY** – Today we will be traveling to the village of Herkimer in New York State, named after the German immigrants who settled in this area in 1722. Stops will be made along the way today. We will be arriving at Gems Along The Mohawk and boarding the Lil' Diamond for a 1-1/2 hour cruise, traveling through one of the area's locks before returning to the dock. Upon our arrival back at the dock, our chef-prepared dinner awaits us before we check into the Inn in the foothills of the beautiful Adirondack Mountains in Rome, New York. The group will be staying at a historic Inn on a quiet 52-acre "lavishly landscaped" estate. **(D)**

**TUESDAY** – After breakfast we will continue east to Boston, Massachusetts where our lunch stop will be at Quincy Market. We will be embarking on a Historic Boston Tour including
