GREAT DAY! TOURS & CHARTER BUS SERVICE . . . (440) 526-5350 . . . (800) 362-4905

All tour details are anticipated at the time that the Scheduled Tour Brochure was prepared and specific stops and/or other inclusions are subject to change or elimination without notice. Tours typically depart between 6 AM and 8 AM with the exact time shown on the itinerary you will receive approximately one to two weeks prior to the tour departure. Most tours return about 8 PM to 10 PM, although this may vary.

THURSDAY – Two options to select from – Just as we have been offering for a number of years on our highly successful tour packages to Sault Saint Marie, passengers have two choices as to how they will spend the day.

- **Newport Mansions & Mystic Seaport:** – “Mansions are synonymous with Newport and, during the Gilded Age, America’s wealthiest families flocked to the City-by-the-Sea and its surrounding areas, making the area their summertime playground. Today, more than a dozen prestigious properties have been preserved” which is why we will be visiting this area not too far from Foxwoods during this Thursday tour.

- Our next stop this afternoon is Mystic, Connecticut. We have included time at Mystic Seaport, a “world-renowned maritime museum featuring exhibit halls and historical interpreters, located on the banks of Connecticut’s legendary Mystic River. It is promoted as being a unique link to its seafaring past.” While we are here, we will be dining at the #2 rated restaurant out of 102 in this village. We will be dining at “Latitude 41”, which many of you may remember as “Seaman’s Inn”. We will arrive back at Foxwoods in time to enjoy some of its many offerings. **(B-voucher, L)**

- **Non-Touring Option Available:** For those who would like to explore Foxwoods, and to try your luck at one, or all, of their casinos, please advise us at the time the tour is booked; the price is shown below for this option. As the largest resort casino, it offers “world-renowned spas, award-winning golf, state-of-the-art theaters, and exclusive retailers” . . . so there is a lot to do. **(B)**

FRIDAY – Dining near the West Branch Susquehanna River – The borough of Lewisburg was best known at a commercial center for its fertile grain and farming, not to mention it is home to Bucknell University and their Federal Penitentiary; its 19th century downtown is on the National Register of Historic Places. We will be dining at one of the area’s most popular restaurants where we’ve included a mid-afternoon buffet that is sure to please your taste buds. Afterwards, we will have a few minutes to visit the restaurant’s shops and bakery. **(L)**
