

Great Day! Scheduled Tour Summary

BRANSON, MISSOURI FALL TOUR WITH MORE INCLUSIONS THAN EVER & TIME FOR SOME GAMING, IF INTERESTED. SUN-FRI SEP 9-14, 2018

Departures, as applicable, from Willoughby, Beachwood, Independence, North Olmsted, Middleburg Heights, Medina, Mansfield, Columbus.

Each year our staff endeavors to provide a number of new shows in the Branson packages and, this year, we not only have some new shows, but also several favorites (such as the dinner-cruise) “mixed in”. Along the way, we will be having some wine or cocktails greet us at a hotel, having a coffee stop at a shop offering carvings and other products of walnut & cutlery, plus viewing the Gateway Arch from our coach as we travel to our hotel.

Speaking of “our hotel”, it is located directly across the street from the Saint Louis Union Station, once the nation’s largest train terminal. Both this station and our hotel were built during the “days of luxury” and our hotel once housed a plush clubhouse, still retaining the perfectly-preserved terrazzo flooring in the original lobby, a grand staircase with cast-iron railings and marble & slate stairs. No detail was missed as the original wood-framed window arches and the leaded glass windows were restored to the beauty that greeted guests so many years ago . . . something you are sure to enjoy as you partake in our cocktail party.

We will also be staying in the Greater Saint Louis area on the final night of the tour. The River City Casino & Hotel complex, located on the western bank of the Mississippi River, is a dynamic destination with five restaurants, nightspots and an award-winning casino.

Upon our arrival in Branson, we will be touring the Titanic Museum while our luggage is being delivered to our hotel . . . so that it awaits us when we check in to the Comfort Inn & Suites for three nights. Since we will be hungry, we will be dining this evening at Montana Mike’s, a Montana-inspired steakhouse restaurant born in Oklahoma. Each of our meals during this tour is different and unique, including a dinner-show on Tuesday evening.

Besides our tour of the Branson-Lakes area, this expanded, upgraded tour includes “The # 1 Hits of the 60’s and the 50’s Too”, the high-energy “IT” show with the Hughes Brothers, Dolly Parton’s Dixie Stampede dinner-show, “Patsy Cline & Friends” (see left), “All Hands On Deck”, the Uptown Café, Clay Cooper’s Country Express and something truly memorable on this new package . . .

The Dogwood Canyon Wildlife Tram Tour with a Picnic Lunch.

We will be stepping aboard a comfortable open-air tram as we explore the beauty of Dogwood Canyon, winding through the canyon floor, past towering bluffs and waterfalls and making a stop at the Glory Hole, a magnificent blue-green pool where some of the area's largest trout reside. Later, we generally cross the Arkansas border where the tram may be showing you herds of American bison, elk, whitetail deer and Texas longhorn.

This scenic tram ride is certainly something you will not see on other tours to Branson in the Foothills of the Ozarks.
