

Great Day! Scheduled Tour Summary

FALL IN FRANKENMUTH

SAT OCT 6, 2018

Departures, as applicable, from Willoughby, Beachwood, Independence, Middleburg Heights, North Olmsted, Elyria, Sandusky.

Frankenmuth is ever so beautiful in the colorful fall season with its unique German-style buildings, interesting shops and great food. The town boasts a downtown full of shopping, dining and attractions. Founded in 1845, “Franken” depicts the province from which the fifteen founders came and “Muth” means “courage” in German. It’s a refreshing departure from the shopping experience seen all too often in today’s fast-paced mega-malls! And it means even more as the price remains the same as last year’s sold-out trip . . . and, in German, that translates to “wir haben den gleiche Preis gehalten“.

This year we have extended the time in Frankenmuth by a bit, as some passengers have suggested, by incorporating a driver-change along the way. We do take your suggestions into consideration as we plan our upcoming tours.

Since Frankenmuth is famous for delicious dining, we’ll be including a great dinner at the world-famous Zehnder’s of Frankenmuth on Main Street.

You’ll find out why this restaurant remains a “Frankenmuth tradition”. Our midday dinner has

been expanded to include a multi-course offering, starting with their homemade noodle soup with freshly-baked bread & whole fruit preserves, an appetizer platter with cheese and pâté, their delicious fried chicken with dressing, mashed potatoes & buttered egg noodles, vegetables and, to make this meal even more memorable, apple pie a la mode!

For those electing to visit Bronner’s, the coach will travel there the short distance mid-afternoon; its home to over 50,000 gifts and decorating items, making it the world’s largest Christmas Store. In addition to the ornaments, Nativity scenes, decorated trees and collectibles, they also include a video presentation . . . at the store where Christmas is celebrated year-round. For those wishing to spend more time in the downtown
