Every year the Elves at Great Day! Tours work diligently to come up with seasonal tours and offer you this Christmas-themed tour without the stress of the holidays; we first introduced it for the 2015 holidays. We will be starting out the day at the new Hollywood Christmas Movie Museum, Castle Noel. Our staff has been “blown away” by this work-in-process. This fascinating destination is home to the largest indoor year-round Christmas entertainment attraction featuring hundreds of movie props, costumes, many New York City animated window displays (valued at over \$4 million dollars) and are fondly remembered by those who have visited stores such as Bloomingdales, Saks Fifth Avenue, Lord & Taylor and, locally, the Higbee/Twigbee window display. This destination has been featured on several “Kicking it with Kenny” television shows.

Like many of the other visitors, you can experience Santa Klaus Mountain and ride the slide like Ralphie, but don't ask for a BB gun.

There's even an “I Had That” toyland experience filled with Christmas toys from the past. Today's luncheon will be assisting in getting you into the holiday mood even more as we enjoy a great luncheon and even decorating a cookie or two that will be “packaged up” to take home. Then we've arranged a visit of the P. Graham Dunn Company where their craftsmen turn out everything from beautifully-engraved holiday ornaments to other gifts that can be personalized while you wait.

All tour details are anticipated at the time that the Scheduled Tour Brochure was prepared and specific stops and/or other inclusions are subject to change or elimination without notice. This tour typically departs between 7:30 AM and 8:30 AM with the exact time shown on the itinerary you will receive approximately one to two weeks prior to the tour departure. Tour typically returns about 7 and 8 PM, although this may vary.

No holiday trip to this area would be complete without a visit to Lehman's in Kidron where, to be sure that we keep up the theme, there will be a drawing of all passengers to see who wins the **\$20 Gift Card** that can be used during our visit.

This store, where the Amish also come to buy merchandise is "not just a link to the past . . . it's a road to the future". While this 35,000 square-foot retail store offers everything from house goods to major appliances, we have found the Soda Pop Shop most interesting. As you enter, you will see 70 varieties of root beer alone and these are just a few of over 300 vintage-style and handcrafted sodas that they stock each day.

Before we depart for home we will be making a visit to the J. M. Smucker Company Store and Café. You'll be getting a small jar of jam while we are here and there will be time for an afternoon snack – Your Driver and Tour Director will, undoubtedly, be in the Holiday Mood and will be "picking up the tab" at the ice cream bar. This is a "Tasty Christmas Gift" from the two of them.
