

Great Day! Scheduled Tour Summary

NIAGARA WINTER FESTIVAL OF LIGHTS

TUE-WED DEC 4-5, 2018

Departures, as applicable, from Medina, Middleburg Heights, North Olmsted, Independence, Beachwood, Willoughby, Ashtabula.

The Niagara Falls area was one of the first in the nation to have electricity and it is never more evident than during the magic of their Winter Festival of Lights. They anticipate that their 36th season will be one of the brightest yet as they capture the magic of the holiday season. A passport is required for this tour since we will be crossing into Canada and staying there one evening.

We will be seeing the lights that bring over a million people from around the world each season. This past year included a 3-dimensional Canadian wildlife display, the world's largest Canadian-American Flag and the illumination of Niagara's iconic Skylon Tower, to name a few of the displays.

Since the holidays are almost here, what's better way to get into the mood than an evening at a lively musical performed as we enjoy a hearty Canadian meal; in this case in a log cabin that has been transformed into a winter wonderland. This past season the show was "Crazy for Christmas". Three meals are included in this holiday tour.

We have set aside time to see Niagara Falls, the shops & attractions on Clifton Hill and, perhaps, a bit of gaming at Fallsview Casino. Of course, there's always a stop at the duty-free shoppe as we travel homeward.
