**Departures, as applicable, from Willoughby, North Olmsted, Elyria, Middleburg Heights, Sandusky, Independence, Beachwood.**

While we really do not intend to tell you where this all-new three-day Mystery Tour may be headed, we can confess one thing to you. We started out offering a repeat of a previous tour and, half-way through the process, managed to secure some tickets for reserved seating at a Concert that we are confident that you will be enjoying . . . making for an all-new package. Depending on your choice of television channels, you may already have viewed this group with their weekly show that features popular music, instrumental and vocals, including Bluegrass and Gospel, among their performances. Tickets will undoubtedly be “in demand” so we’ve got ours early. The two “leads” are backed up by a group of musicians with a long list of experiences including stints with Ricky Skaggs, the legendary band “Kentucky Thunder” and performing with Rhonda Vincent. Five of their albums have made it to the Billboard Chart and they’ve received a Grammy Award Nomination.

This tour will also be taking you behind the scenes, learning and seeing more of some fascinating animals and how they fit into our daily routines. We will also be having dinner and a little gaming time at a casino.

And, if you are into products of the area, and era, we will be visiting a display of many of the automobiles that you just may recall, wagons, gorgeous carriages and military vehicles, some which had a major impact on society and its people over the years. History remains in our heart as a short stop will be made to see the patriotic efforts in a small town that we are confident that you’ve never visited.
