

# Great Day! Scheduled Tour Summary

## MYSTERY TOUR # 6013 – BACK AGAIN! WED JULY 31-FRI AUG 2, 2019

Departures, as applicable, from Elyria, North Olmsted, Beachwood, Middleburg Heights, Willoughby, Independence, Sandusky.

This three-day/two-night Mystery Tour, has destinations that you have not seen in any of our tours in the past, unless you took Mystery Tour # 6013 in the years after it was first introduced in 2017 . . . and offered at virtually the same price as that first year! We've got a photo of a great destination, for those of you who are curious, but we do want to confide that it has absolutely nothing to do with any destination, whatsoever, that you will be seeing during this tour. Oh, by the way, for those who attempt to figure out where we are going, the pickup points just may be "discombobulated". The best part of this tour is that there is just one check-in, hotel-wise, and we will be using it as a "hub" as we spoke out to a number of interesting places.

While we hope that the tour name, "6013" did not give away the destination, we will confide that one of the inclusions during this mystery tour will be a live matinee performance at a dinner-theater. We'll be seeing the musical "*The Buddy Holly Story*" that spotlights one of the most popular performers of the late 1950s, while including a number of his classic hits . . . as we enjoy a tasty buffet dinner prepared by the in-house chef.

This tour does include fascinating stops as we travel to our destination, some history and historic places and, for those interested, a couple of hours to enjoy gaming after our dinner at a casino restaurant one evening. There's so much more we could tell you but, then again, it wouldn't be a mystery, would it? Put your trust in our tour staff and join us to learn more about new places you and, most probably, not been to yet. While the destination may be a mystery, to some, we do know that this package includes 5 meals, live entertainment, a "wee bit of time" for gaming, some history and, perhaps, a truly "quirky" attraction along the way.
