

Great Day! Scheduled Tour Summary

YORK, PENNSYLVANIA . . . AND MORE

MON-WED AUGUST 5-7, 2019

Departures, as applicable, from Elyria, North Olmsted, Middleburg Heights, Independence, Beachwood, Boston Heights.

YORK – HANOVER - HARRISBURG, HERITAGE HILLS RESORT Factory Tour Capital of the World, Show & Battlefield Motorcoach Tours

York County, Pennsylvania, has been named the Factory Tour Capital of the World®, the place where you can step onto the floor of factories and tour visitor-friendly shops to see how your favorite products are made. Over the years many guests have joined us as we go behind the scenes to see the manufacturing of everything from tasty potato chips (hot out of the fryer) to legendary motorcycles “roaring to life”. But this is just the start as our Tour Coordinators have set up reservations for a visit to a company that manufactures natural body care products and wonderful soaps, shampoo bars, butters and scrubs for something that is both entertaining and informative. Who knows, you may even be able to make your own bath fizzies! We’ve also planned a visit to the Harley-Davidson manufacturing company.

We’ll be discovering the Treasure of Time at the National Watch & Clock Museum where, again, admissions are included. You’ll be seeing thousands of timepieces. This is one of the few museums in the country dedicated solely to horology, the history, science and art of timekeeping and timekeepers.

GREAT DAY! TOURS & CHARTER BUS SERVICE . . . (440) 526-5350 . . . (800) 362-4905

All tour details are anticipated at the time that the Scheduled Tour Brochure was prepared and specific stops and/or other inclusions are subject to change or elimination without notice. Tours typically depart between 6 AM and 8 AM with the exact time shown on the itinerary you will receive approximately one to two weeks prior to the tour departure. Most tours return about 8 PM to 10 PM, although this may vary.

While we are in the area, we will be taking the coach, with a licensed guide, through the Gettysburg Battlefield before being served dinner at an adjacent 19th century home, now listed on the National Register of Historic Places. It's a colonial restaurant where candlelit elegance, superior food in abundance and gracious service brings back the sights, sounds and tastes of two centuries ago.

Our rooms will be at the Heritage Hills Golf Resort. If you enjoy golfing and would like to play a round on Tuesday at their course, the greens fee is \$45 which includes a cart. Clubs are available to rent for an additional \$25. Just let us know when making your reservations.

On Tuesday evening we will be enjoying a live musical production, "Ovation", before we have a relaxing evening dinner. This show highlights a cast of renowned singers, dancers, and orchestra.

No trip to this area would be the same without the Turkey Hill Experience, learning how their ice cream is made. You'll be able to sit in a milk truck, milk their mechanical cows and learn about the people and culture of this popular company. Besides tasting plenty of samples of their ice cream and iced tea products, we've also arranged for you to visit their Taste Lab and bring your virtual ice cream creation to life as you make your own pint of ice cream.
