

Great Day! Scheduled Tour Summary

MONTRÉAL, QUÉBEC CITY & OTTAWA

SUN-SAT AUG 18-24, 2019

Departures, as applicable, from Elyria, North Olmsted, Middleburg Heights, Independence, Beachwood, Willoughby, Ashtabula.

We will be arriving in Ottawa, Canada's capital, best known for Parliament Hill and the park-lined Rideau Canal filled with boats in summer and ice-skaters in winter. An enjoyable dinner awaits us at Tucker's Marketplace, the first of ten included.

We will be enjoying many of the sights in the Ottawa region with a local guide, seeing the Bank of Canada, Rideau Canal, the Supreme Court, the National Museum, and the residence of the Prime Minister. Stops will be made today and we will be touring the Parliament Building with a government guide leading us through it. Lunch will be on our own at ByWard Market in the heart of the Capital City, the city's #1 tourist attraction. It is home to both a local farmers' market and artisans with over 260 stands, as well as over 600 restaurants, shops, and businesses.

Then it's off for a two-night stay in Montréal, the largest city in Canada's Québec province. Our rooms are at the Hyatt Regency Hotel. Staying in the heart of the downtown, you'll be able to get a feel for Québec's rich history and the city's "joie de vivre" (a French phrase used to express "joy of life", or similar), since you will not be too far from great shopping, dining and entertainment.

Montréal is set on an island in the Saint Lawrence River and named after Mount Royal, the large triple-peaked hill (aka small mountain). We will tour Montréal on Tuesday with our Guide showing off a number of neighborhoods, some with cobblestoned streets and yet another boasting the Gothic Revival Notre-Dame Basilica. We have given you some free time one evening so that you can have dinner "on your own", given the number of dining opportunities found in this city.

We'll be seeing many of the most popular sites such as Notre-Dame Basilica, Chinatown, Crescent Street, Dorchester Square, Old Montréal, Old Port, and Mount Royal Park. Dinner is included at the popular Vieux-Port Steakhouse with its stone walls, wood floors and cozy fireplaces.

You will have two evenings to take a cab over to Casino du Montréal, the largest casino in Canada. Located on Notre Dame Island in the borough of Ville-Marie in Montréal, it is open

All tour details are anticipated at the time that the Scheduled Tour Brochure was prepared and specific stops and/or other inclusions are subject to change or elimination without notice. Tours typically depart between 6 AM and 8 AM with the exact time shown on the itinerary you will receive approximately one to two weeks prior to the tour departure. Most tours return about 8 PM to 10 PM, although this may vary.

24 hours a day and allows patrons who are aged 18 and older. Two of the interconnected buildings, formerly the French and Quebec Pavilions, were originally built for Expo 67. It boasts over 3,200 slot machines, 115 gaming tables and Keno facilities, among its various gaming opportunities. It has been a non-smoking casino since July 2003 with the enactment of the new provincial law. The casino is famous for its “unconventional features, such as its numerous windows and low ceilings”. It has four restaurants, three bars and a cabaret.

On Wednesday, you may have additional “time on your own” or, for those who would like to join us, your Tour Director has included tickets for the Biodome de Montréal; we will be here about 1 to 1-1/2 hours. This fascinating facility, whose name means “house of life”, is part of the largest natural science museum complex in Canada; it is located in a building originally constructed for the 1976 Olympic Games as a “velodrome”, hosting both track, cycling and judo events. You would never recognize it today. Opened in 1992, the facility allows you to walk through replicas of four ecosystems found in the Americas. These include the Tropical Forest (replica of the South American rainforest), the Laurentian Maple Forest (replica of the North American wilderness that changes with the seasons), the Gulf of St. Lawrence (an estuary habitat modeled on the Gulf of Saint Lawrence) and the Sub-Polar Regions of the Americas (a habitat that is divided into Labrador Coast and Sub-Antarctic Islands).

Just a couple of hours’ drive and we will arrive in Québec City, also in the country’s French-speaking province. This capital of the Province of Québec, is the only remaining entirely-fortified city in North America. Founded in 1608 by Samuel de Champlain, Québec was the first permanent European settlement in New France. A number of places you’ll be seeing date back to 1608, such as the Walled City and Place Royale, with its narrow streets and stone buildings. We will also be seeing the Plains of Abraham, the National Assembly and the Citadelle. We generally take a walking tour of Place Royale, weather-permitting.

The group will be staying two nights at the Courtyard by Marriott. We will be touring sites along the Saint Lawrence River, visiting both the 274-foot Montmorency Falls and the Basilica of Ste-Anne-de-Beaupre and, possibly, a bread oven along the way. Enjoy the charm of Old Québec and experience it during our two meals, one at the towering Chateau Frontenac, named after the governor of the colony of New France. Dining at this historic hotel just may already be on your “bucket list”.

On Friday, we will be departing and traveling through Cornwall and Brockville enroute to the Thousand Islands area. We will be enjoying a dinner and sunset boat cruise on the St. Lawrence River, capping off a great visit to Ontario and Québec provinces. We will be making a stop at the duty-free shoppe as we travel back into the United States and, on Saturday, we’ve got a nice midday dinner awaiting you and a unique “surprise stop”. With the current favorable exchange rate, we’ve been able to keep the price the same the last two years.

Ten meals are included in this French-Canadian Tour Package:

- Dinner and breakfast in Ottawa.
- Dinner in Montréal; second night on own to enjoy a restaurant of your choice.
- Two breakfasts and one dinner in Québec City; second night, time on your own to select.
- Dinner-cruise on St. Lawrence River.
- Breakfast in Watertown area.
- Farewell midday dinner enroute home.
