

# Great Day! Customer Appreciation Tour Summary

## NAUTICA QUEEN, GREATER CLEVELAND AQUARIUM

**TUESDAY SEPTEMBER 24, 2019**

Departures, as applicable, from North Olmsted, Middleburg Heights, Independence, Beachwood and Willoughby.

We will be cruising aboard the beautiful Nautica Queen, departing from the Cuyahoga River dock on the West Bank. There will be narrations that describe the sights, music and one of the great luncheons that the ship's staff is known for.

But the cruise is just the “start” of this trip. Since we’ve already mentioned that you will be boarding at the dock on the West Bank, it is also home to the Power House, the facility that houses the Greater Cleveland Aquarium. Originally constructed in the

late 19<sup>th</sup> century to provide energy to power the city’s streetcars, the Power House was known for its stylish arched windows and distressed brick walls. Following our cruise, we will have about 1-1/2 hours to explore this “treasure on the North Coast” . . . and it’s all included in your package. What a great way to enjoy a Fall afternoon!
