

Great Day! Scheduled Tour Summary

SIX . . . THE SHOW FROM BRANSON IN COLUMBUS THUR SEP 26, 2019

Departures, as applicable, from Beachwood, Independence, North Olmsted, Middleburg Heights, Medina, Mansfield.

As we've mentioned before, last year's show, ABBA, was a sold-out affair . . . with a stand-by list of those who "waited too long". By that time, all tickets had been sold out and no more were available once the bus was filled. This time we've secured tickets to the only luncheon-show being performed in Ohio this year, to our knowledge, by this contemporary vocal band that features six real brothers, a group that takes musical entertainment to a whole new level . . . and they have been acclaimed as "an orchestra of human voices". We are recommending booking early.

Our passengers have enjoyed their talents on several of our recent Branson, Missouri, tours and now is your chance to do so on this one-day tour.

We have also planned several other stops in the Columbus and Ashland area. Before we arrive at the venue, we will be visiting a nationally-known company that is dedicated to providing people with the finest American-made products. This "store with the spirit" began with one person selling USA flags from the trunk of an automobile in Libertyville, Illinois. It's a family business that has continued to grow as they offer US flags, military flags and custom-manufactured flags, many of which you can view or purchase.

All tour details are anticipated at the time that the Scheduled Tour Brochure was prepared and specific stops and/or other inclusions are subject to change or elimination without notice. Tours typically depart between 6 AM and 8 AM with the exact time shown on the itinerary you will receive approximately one to two weeks prior to the tour departure. Most tours return about 8 PM to 10 PM, although this may vary.

As with our other show-packages at this venue, we will be stopping enroute home (except for those boarding in Mansfield) in the rural Ashland community at a unique “country shop area” whose encouragement to you is to “eat more cheese” . . . but that’s not all. You’ll be able to browse and make purchases (since our next stop is “home”) from their “home-smoked meats, specialty cheeses, Amish country jams, jellies and pickles, local honey and maple syrup and their homemade chocolates and candies that can happily fill your every craving with pure delight and deliciousness!”
