Western New York State is well known for its wineries, attractions and festivities. Fall tours remain most popular with Great Day! passengers and we've been offering this package for 30 years so that our guests can delight in the boundless fall beauty, with a luncheon at a Chautauqua County resort befitting the elegance of the region and nestled between colorful mountain slopes.

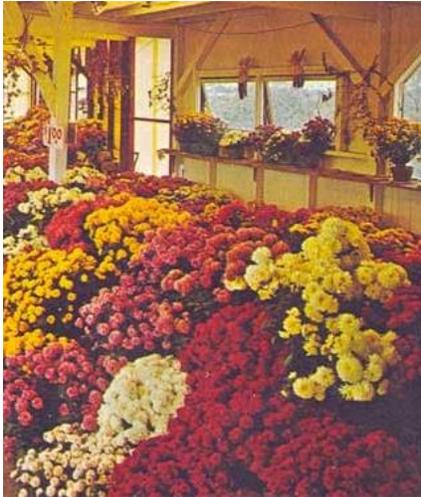

There will be a winetasting today prior to arriving for a delightful luncheon at the Inn at the Peak Resort; it has been built with its gorgeous Tudor architecture. The Great Day! tour staff could not agree any more than with a philosopher, who, many years ago stated, ***“If you want to be happy for a lifetime, grow Chrysanthemums.”*** They were described in writings as early as the 15th Century B.C. and were introduced into the Western World during the 17th Century A.D. and into our country during colonial times. Its popularity has grown so much that mums now reign as undisputed ***“Queen of the Fall Flowers.”***

A stop will also be made at a chocolate company known for its cherry cordials, hand-crafted marshmallows, sponge taffy and molded chocolates, to name just a few of their delightful candies.
