

# Great Day! Scheduled Tour Summary

**NIAGARA WINTER FESTIVAL OF LIGHTS**

**TUE-WED DEC 3-4, 2019**

Departures, as applicable, from Medina, Middleburg Heights, North Olmsted, Independence, Beachwood, Willoughby, Ashtabula.

The Niagara Falls area was one of the first in the nation to have electricity and it is never more evident than during the magic of their Winter Festival of Lights. It is anticipated that the 37<sup>th</sup> season of the Niagara Falls Festival of lights will be one of the brightest yet as they capture the magic of the holiday season. A passport is required for this tour since we will be crossing into Canada and staying there one evening.

We will be seeing the lights that bring over a million people from around the world each season. This past year included a 3-dimensional Canadian wildlife display, the world's largest Canadian-American Flag and the illumination of Niagara's iconic Skylon Tower, to name a few of the displays.

There's no better way to get into the holiday mood than an evening at a lively musical; in this case in a log cabin that has been transformed into a winter wonderland. This past season the show was "Crazy for Christmas", performed as we enjoy a hearty Canadian meal. Two meals including a cooked to order breakfast and generally a manager's reception are also included in this holiday tour as is time to see the Falls, the attractions on Clifton Hill and, perhaps, a bit of gaming at Fallsview Casino. There's always a stop at the duty-free shoppe as we travel homeward. Due to the number of tours we operate, we've been able to reduce this price as our "holiday gift" to you.
