

Great Day! Scheduled Tour Summary

CUBA, CHIHULY & CHEESECAKE

TUES MAR 24, 2020

Departure locations, if applicable, include Willoughby, Beachwood, Independence, North Olmsted, Middleburg Heights, Medina, Mansfield.

Here's that tour that just might be an opportunity to include so much, and this combination is available only through the end of March due to the limited exhibition dates.

The Franklin Park Conservatory will be awash in the vibrant colors of the stunning glass artwork by Dale Chihuly . . . the same renowned artist whose Café we include during our tours of the Frederik Meijer Gardens in Grand Rapids, with its dozens of individual blown-glass pieces, spanning the ceiling in a spectrum of colors. Today we will be seeing the largest permanent Chihuly collection in a botanical garden setting, proudly proclaiming the title *“Chihuly: Celebrating Nature”*. For those not familiar with the history, Chihuly began experimenting with glassblowing in 1965, and eventually was awarded a Louis Comfort Tiffany Foundation grant for his work in glass. He later traveled to Venice to learn the detailed intricacies of blowing glass.

Our luncheon will be unique too, as you will have a choice of five specialty entrees (from tasty dishes to large salads) followed by an upgraded dessert from the California-based Cheesecake Factory, no less. Choose from their “signature desserts”, Plain Cheesecake, Godiva Chocolate Cheesecake or Reese’s Peanut Butter Chocolate cheesecake that day.

While cruises to Cuba have been cut back significantly, you’ll still have the opportunity to explore Cuba’s dynamic culture and abundant diversity, from the colorful urban streets to its dazzling coral reefs.

It’s the largest island nation in the Caribbean, with stunning contrasts such as mysterious caves & bright boulevards, sweltering fields & cool forests and hard challenges & high energy. This afternoon we will be exploring this expansive exhibit, exploring its landscapes, people and species, and coming away with new perspectives on this intriguing country.
