

Great Day! Scheduled Tour Summary

MYSTERY TOUR # 1822

TUES JULY 14, 2020

Departures, as applicable, from Elyria, Independence, North Olmsted, Beachwood, Willoughby, Middleburg Heights.

This was a new mystery tours several years ago and, due to the feedback, we've kept it the same for 2020. , these destinations came as a pleasant surprise to those who have never visited this region. Hopefully the name "Mystery Tour # 1822" is not so much information

that it gave away today's destinations. This is a unique, and rather inclusive, combination of stops that are sure to bring back memories and a bit of history and, we can tell you, this tour includes a late-afternoon dinner at a unique venue. Even with the upgraded meal, our staff has managed to keep the price most competitive, given the inclusions.

This one-day tour package has something for everyone, including a wine tasting . . . with about five delightful wines. The owners have studied wine and the lifestyle that goes with it, incorporating a number of "tips" that they have picked up while visiting quite a few other vineyards and wineries, where those wine makers share a mutual love of the industry.

Another of our visits includes an industry that dates back to 1835 and parts of it remain in operation even today. Its construction date made it the second of its type in the entire United States. We can tell you that, because of the its location, it is sometimes confused with a different town in the same state with a similar moniker. Now you know about "1835", but we really can't give away the reference to "1822", can we?

While most of our one-day tours include a luncheon, we offer a midday snack stop this time, and then, if we remember to tell them, your Driver and Tour Director, they'll be taking you to a late-afternoon dinner at a special venue.. Our Tour Staff hopes that you will trust our inclusions on this Mystery Tour since it should be most enjoyable, for men and women. There is something for everyone.
