

Great Day! Scheduled Tour Summary

ISLAND HOPPING CRUISE WITH TRAM & ONBOARD BUFFET

SAT JULY 18, 2020

Departures, as applicable, from Willoughby, Beachwood, Independence, Middleburg Heights, North Olmsted, Elyria.

A cruise is certainly not “out of your reach“ when you reside in Northern Ohio. We will be cruising to two of the most popular destinations, Kelleys Island (originally called “Sandusky Island when it was occupied by the British) and South Bass Island, home of the resort village of Put-in-Bay resort. There’s a full day of fun as we embark on the 40-mile “Island Hopping Cruise” aboard a vessel capable of transporting up to 355 passengers.

From our ship we’ll be seeing Catawba, Marblehead, Lakeside, Middle Bass and other islands including Johnson’s Island – a Confederate prison camp during the Civil War.

Kelleys Island, a few miles from the Canadian border, is home to both Inscription Rock and the Glacial Grooves. Located on the north side of the island, these are the largest grooves in the world, scoured into solid limestone bedrock about 18,000 years ago by the great ice sheet which covered a portion of North America. Today, a trough that is 400-feet long, 35-feet wide and up to 10-feet deep remains after the ice, which was hundreds of feet thick, carved out this area and the entire Lake Erie basin. Marine fossils have been discovered that date back 350 to 400 million years. You can generally rent a golf cart upon our arrival or you can enjoy the fresh breezes and sparkling blue water along this enchanting island.

Our luncheon, an onboard picnic-style buffet, will be served enroute to downtown Put-In-Bay, before we disembark near De Rivera Park. You’ll be a part of history as we dock in the same bay that played an important role in the War of 1812 and was the “home base” of Oliver Hazard Perry in

the “*Battle of Lake Erie*”, sometimes called the “*Battle of Put-In-Bay*”, during which nine vessels of the United States Navy defeated and captured six vessels of the British Navy, allowing America to take control of the lake. This is where the slogan began, “*We have met the enemy and they are ours*”. A tram will be meeting us for an included tour of the island.
