

Great Day! Scheduled Tour Summary

HOOSIER HIGHWAYS AND BYWAYS

WED-FRI JULY 29-31, 2020

Departures, as applicable, from Willoughby, Beachwood, Independence, Middleburg Heights, North Olmsted, Elyria, Sandusky.

What's a "Hoosier" you may ask? From what our research has found, it appears that the name was adopted by Indiana residents themselves, and was derived from an English dialect term, a common practice among southern immigrants to Indiana. Several years later it was the name of a famous poem, "*The Hoosier's Nest*". The name gained widespread acceptance in the 1830s and 1840s and its use was definitely good-natured. Hopefully you will come away with that "*Hoosier Feeling*" after returning from this tour.

We will be seeing the "*feeling*" during our visits to Indianapolis, Anderson, Muncie and Alexandria as we tour the state. Our "*base of operations*" will be Anderson, Indiana, where a number of the activities will be taking place and, one evening, we will be enjoying dinner and some gaming at Harrah's Hoosier Park Racing & Casino, operated by Caesars Entertainment. It has both harness racing and casino gaming.

We've also including a popular Indianapolis dinner-theater where we will be seeing "*Beehive: The 60s Musical*" performed. The show is a tribute to the rockin' women who made the music of the era so special – everyone from Lesley Gore to Janis Joplin, from the Shirelles to the Supremes and Aretha Franklin to Tina Turner. Enjoy songs like "*The Name Game*", "*One Fine Day*", "*Proud Mary*" and "*It's My Party*", to name a few.

All tour details are anticipated at the time that the Scheduled Tour Brochure was prepared and specific stops and/or other inclusions are subject to change or elimination without notice. Tours typically depart between 6 AM and 8 AM with the exact time shown on the itinerary you will receive approximately one to two weeks prior to the tour departure. Most tours return about 8 PM to 10 PM, although this may vary.

This tour also has something you might not be expecting, “*The World’s Largest Ball of Paint*”. It started out when a high school student was working in a local paint store. An accident, when throwing a baseball, led to a gallon of paint being knocked over, leaving the ball “*a mess*”. After some experimenting, and a lot more paint being added, it now has over a thousand coats of paint. Since then, it has become a piece of “*artwork*” as you will be seeing.

But there are other stops including a specialty candy store, a theater, an ice cream shoppe, the historic Paramount Theater & Ballroom, restored to its natural splendor and a carillon park to enjoy the beautiful sounds being played. Five meals are included in this tour package.
