## **YORK – HANOVER – GETTYSBURG - RESORT Factory Tour Capital of the World®, Show & Battlefield Tour**

York County, Pennsylvania, has been named the Factory Tour Capital of the World®, where visitors can “sneak a peek” at various manufacturers to see how your favorite products are made. Your idea of “your favorite products” may vary, but we will be seeing the manufacturing of everything from tasty potato chips to legendary motorcycles “roaring to life”.

Our Tour Coordinators have set up reservations for a visit to a company that manufactures natural body care products and wonderful soaps, shampoo bars, butters and scrubs for something that is both entertaining and informative. Who knows, you may even be able to make your own “bath fizzies”!

And, as a contrast, we will visit the Harley-Davidson’s stamping operation at the visitor center with a chance for a “photo op” aboard one of their just-completed motorcycles.

We’ll be discovering the “*Treasure of Time*” at the National Watch & Clock Museum where, again, admissions are included. You’ll be seeing thousands of timepieces. This is one of the few museums in the country dedicated solely to horology, the history, science and art of timekeeping and timekeepers.

While we are in the area, we will be taking the coach, with a licensed guide, through the Gettysburg Battlefield, hearing of those three days during the Civil War. Later we will be served dinner at a 19<sup>th</sup> century home, now listed on the National Register of Historic Places.
