You'll be discovering a lot of great things are happening as you immerse yourself in Ohio's history and the relaxing Amish culture. We all know about the beautiful scenery, the friendly faces and the great food but, also, a beautiful hotel, the Berlin Grande, opened a few years ago and, just down the road, the fantastic Ohio Star Theater and the Amish Country Theater.

One of the first live performances we will be seeing is at the Ohio Star Theater. "*Josiah For President*" comes to us and in an election year!! "Scandal, backstabbing and politics-as-usual is center stage until an unlikely encounter changes the course of the country. Can one plain man truly turn the tide of politics and become the leader of America? Come see why this captivating journey, packed with hilarious antics, has already captured the vote of thousands. '*Josiah for President*', the ultimate outsider candidate, is a declared winner!"

The next show we will be seeing is at the expanded Amish Country Theater which opened at its new location in 2018, seeing why it was selected as one of the American Bus Associations "Top 100". This show presents a totally different view of the Amish and others living in this rural area. Musicians will be performing with various talents. Past shows have had plenty of music, dancing, humor and even a ventriloquist. This year's show is "*NEW! Amish Country Theater Comedy Variety Show!*". We will be dining at

the theater before enjoying the show.

We are taking you to view the work of a fifth-generation carver of Swiss heritage, who is continuing his family's carving legacy in the center of Ohio's beautiful Amish country. The carvings created are intricately worked in antique ivory, ebony wood and abalone pearl. He works daily in the workshop where he is creating the "History of the Ship" from 1st Dynasty Egypt, circa 3000 B.C., to the present day and, during this visit, groups generally hear the story from the mouth of this artist.

We will also be visiting a store where the Amish shop for non-electric appliances and necessities for a simpler life; have you ever seen a gas-powered refrigerator? They have a wide variety of items including candles, jars for food preservation, candies, tools & garden supplies, and many hard-to-find items you may have been searching for . . . plus, a gift that we have purchased for each passenger to take home with them! We will have a number of equally-fascinating stops during this two-day tour, while enjoying three hearty meals and a glass of wine or two at a popular local wine shop in Amish Country.

Our next stop will be in the shops that line the village where vendors and crafters rent booths that features their unique products and handmade items, from wood crafts, textiles, dolls, ceramics and fine art. Originally opening in 1993, the original part of the store soon outgrew its space and an expansion was underway within nine months. Sol's Palace, the largest of the three stores opened in 1994 and the main focus of the shop was, and has remained, crafts. Sol's Kit-N-Kaboodle opened in 2002 and features everything from inspirational items to sports memorabilia.

Food is most important on tours to this area. This tour features three meals, all freshly prepared from area farms. It goes without saying, in keeping with the inclusions, that an expanded breakfast awaits us at the hotel, with all kinds of bakery, eggs and meats.
