

Great Day! Specially-Priced Tours Summary

Since June, Great Day! Tours has been operating not only one-day tours but also multi-day tours (as long as the annual July 8-day Mount Rushmore Tour) for groups, couples and individual travelers, following all safety protocol currently in effect.

One of our passengers said “I don’t know how long I will be able to travel so I don’t want to waste the whole year . . . there are so many places I’ve always dreamed about seeing”. The motorcoaches and destinations have never been more sanitized than now for everyone’s safety.

To keep the motorcoaches moving, we have planned a number of specially-priced tours, some of which are listed below. These tours are escorted with departures from the Baron’s Garage (West 130th Street and Brookpark Road) and the DoubleTree Hotel in Independence. Some of them also depart Beachwood and Willoughby, depending on the direction the tour is headed. To allow “social distancing space” on the motorcoach, the capacity is limited to about 28 so we suggest booking early.
