

Great Day! Scheduled Tour Summary

CHRISTMAS ON THE ARK & AT THE CREATION MUSEUM

TUE-WED DECEMBER 8-9, 2020

Departures, as applicable, from Willoughby, Beachwood, Independence, North Olmsted, Middleburg Heights, Medina, Mansfield, Columbus, Grove City, Washington CH.

This holiday season we are offering a unique visit to two attractions that you may have been to in the past, but never when they are so decorated for the Christmas Holidays . . . and even more meaningful.

It's not enough to say that the Ark is spectacular, but when you add the brilliant lights and holiday displays, seeing Noah's life-sized Ark and the gardens illuminated in a "sea of

rainbow-colored lights" is even more so! We'll arrive early afternoon to explore Noah's Ark, built to "biblical proportions". While no one has ever discovered the "original Ark", we will be seeing the massive wooden structure with dimensions as described in the Bible. This afternoon we will be exploring the Ark and seeing how Noah and his family may have lived. There will be time to celebrate Christmas with animals from

around the world at the newly-expanded Ararat Ridge Zoo, exploring the heated petting zoo or imagining that you are living in biblical times, saddling up for a ride on a camel.

Dinner is included at their Seasonal Buffet with various festive treats before experiencing the evening "ChristmasTime", learning how Christmas began in Genesis, discovering why Jesus came and what it means for us today through a spectacular video program, Christmas carols, and a sea of lights.

On Wednesday, after breakfast, we will be traveling to Petersburg, home of the Creation Museum, built by the same dedicated folks. It's also "decked out" for the holidays, with biblical history vividly coming to life at this world-class museum with their "Christmas Town". You'll walk through the exhibits, encountering the Garden of Eden, an animatronic Noah and flood dioramas. But, on this holiday tour, you'll also be experiencing the wonder that surrounded the Savior's birth at Christmas while touring the dazzling garden of lights, reflecting on the true meaning of the season at the live Nativity and various garden lights displays.
