

# Great Day! Scheduled Tour Summary

## DRIVE-BY TOUR OF CLEVELAND

THUR APRIL 8, 2021

Departures, as applicable, from Independence, Beachwood, Willoughby.

Like our other Drive-By Tour, this new one-day sightseeing tour of the Cleveland area will have you seeing many of the highlights of the city of Cleveland, both new and historic. This tour will be departing from the east and south suburbs and showing many of the sights, and hearing an interesting narration, from the comfort of your motorcoach seat. (Also see our Drive-By Tour of Cleveland that offers different pickup points and a different luncheon venue.)

But there will also be a couple of “get up and get off the bus” stops along the way at the same locations as our other Drive-By Tour. We will be including a visit to the International Women's Air & Space Museum. Here we will be seeing the significant contributions of

women to the history of aviation and space travel.

Another stop will be made at the Cleveland Museum of Art in the University Circle area. Our luncheon today will be provided by Slyman's Restaurant, known for its generously-sized sandwiches; when booking, please advise if you would prefer hot corned beef on rye, with or without cheese, or a turkey sandwich on white or rye. Due to the size of this popular establishment, our meal will be “take-out” today . . . after all, it is a “drive-by” tour.
