

Great Day! Scheduled Tour Summary

WORKS OF A MASTER, WINETASTING AND AMISH FLEA MARKET

THUR MAY 13, 2021

Departure locations, if applicable, Middleburg Hts, North Olmsted, Independence, Beachwood, Boston Hts.

We have been visiting, in our annual overnight tour, this great destination, and wanted to offer it for your consideration in this one-day tour during 2021. Our staff “scouted out” this artist’s shop shortly after it opened and were “blown away” with what we saw and experienced. The carvings, by a fifth-generation carver of Swiss heritage, are unmatched in any other place that we have visited.

So far, he has completed 89 works of art, intricately carved from antique ivory, ebony wood and abalone pearl. Be sure to note the ship on the left; the ropes and riggings are actually made from strands of antique ivory that he carved, utilizing an ingenious device he created.

David can be found daily in this on-site workshop where he is creating the “History of the Ship” . . . from the 1st Dynasty Egypt, circa 3000 B.C., to the present day. The words chosen to describe what you will be seeing are all so true, i.e. “This unique art collection-museum forms an artistic and highly educational exhibit that culturally enriches all who view these extraordinary works of art.” This is no small exhibit, studio and gift shop as it covers 10,000 square-foot, about the size of four or five typical homes. We have arranged to explore the exhibits during a personally-guided tour where you will be meeting the carver himself.

This one-day package also includes a luncheon after we enjoy a winetasting in the wine cellar where you will be offered three different regional wines. This vineyard, set in the rolling hills of Ohio, produces a number of award-winning wines, made of grapes, fresh fruit, berries and even dandelions.
