

Great Day! Scheduled Tour Summary

DINING ABOARD A PASSENGER STERNWHEEL STEAMBOAT TO THE LUCY & DESI MUSEUM SAT JUNE 26, 2021

Departures, as applicable, from Medina, Middleburg Heights, North Olmsted, Independence, Beachwood, Willoughby, Ashtabula.

The *Chautauqua Belle* was launched in 1976 as part of our country's Bicentennial. It's one of five operating authentic passenger sternwheel steamboats left in all of North America. One of the other vessels is the *Natchez* which we use on many of our New Orleans tours. Two steam engines turn her paddlewheel.

Features such as her gingerbread trim and wedding cake stacked superstructure are indigenous to the Mississippi River-styled steamboat, dating back to the design of the *Steamboat Washington*, dating back to 1824. We will be experiencing so many niceties, including dining onboard as we cruise Lake Chautauqua.

A bit of nostalgia descends upon us as we arrive in the nearby Jamestown area of New York State, the birthplace of Lucille (Desiree) Ball during August 1911. Plan on learning so many interesting "bits" about "the person whose face has been seen

by more people more often than any other in history". At the recently expand-ed Lucy-Desi Museum & Studios you'll hear about some of the antics from Lucy's childhood in Jamestown as we view screenings and video excerpts of their shows. Both of them played a vital role in television and on the big screen, as we see the impact on the world through costumes and memorabilia from their personal and TV lives. This expanded package includes a guided tour of Lucy's hometown aboard the motorcoach at the same price as last year.
