## LAKE COUNTY WINETASTING, FROM LAVENDER TO PRESIDENTS

THURS JULY 29, 2021

Departures, as applicable, from Westlake, Elyria, North Olmsted, Middleburg Heights, Independence, Beachwood, Willoughby.

Did you know that the favorite “adult beverage” of American Presidents has been wine? This includes James Madison, Thomas Jefferson, Millard Fillmore, James K. Polk, John Quincy Adams, James Buchanan, Ulysses S. Grant, Herbert Hoover, Calvin Coolidge, William Howard Taft, and Richard Nixon, plus many of us “Non-Presidents”. Ohio has a long tradition of growing flavorful grapes, dating back to the early 1800s, which led to the production of quality wines. By 1859, the state had become the leading producer of wine.

By the late 1860s, German immigrants brought their traditions of winemaking to Northern Ohio with its climate and abundant water supply, ideal for growing grapes to produce wine. As production expanded along the southern shore of Lake Erie, it became known as the “**Lake Erie Grape Belt.**”

While we are not really sure of his preferences in wines, we will be visiting the James A. Garfield home that he acquired in 1876 to accommodate his large family. During the 1880 presidential election, he conducted the first “front porch campaign” from his home, named “Lawnfield”. He needed more space and had 11 more rooms added to the structure. Following his assassination in 1881, his widow added the Memorial Library wing, setting the precedent for presidential libraries.

For something new, we will be visiting a **Lavender Farm** that grows distinctive and unique varieties of **lavender**, and, also turns them into various products and oils.
