NIAGARA FALLS

Passengers will capture the magic of the holidays as we tour, seeing the beautiful lights that bring over a million people from around the world to this popular region. This past year included many decorated trees, a 3-dimensional Canadian wildlife display, the world's largest Canadian-American Flag and the illumination of Niagara's iconic Skylon Tower, as well as the annual fireworks. Sponsored by who else but Ontario Power Generation, the festival captures the magic of the holiday season and promises "the brightest season yet!"

This year's tour has been upgraded as our "gift" to you. Dinner will be served overlooking the falls while we enjoy the festive holiday lights from yet a different view.

Two meals are included in this year's tour as is time to see the Falls, the attractions on Clifton Hill and, perhaps, a bit of gaming at Fallsview Casino or Casino Niagara. There is always a stop at the Duty-Free Shoppe with special savings, just in time for the holiday season.
