

# Great Day! Scheduled Tour Summary

**VACATIONING IN WISCONSIN DELLS**

**MON - FRI JUNE 17-21, 2024**

**Departures, as applic: Beachwood/Orange, Independence, Parma/Cleve. West, Middleburg Hts, Elyria, Sandusky.**

This is an all-new combination of tour destinations that includes the ever-popular destinations that we have offered for quite a few years . . .this is your chance to enjoy two of the top destinations in Wisconsin, the beautiful Wisconsin Dells and, one day, the fascinating House on the Rock in Spring Green.

The Dells is gorgeous and its river and lake are located in a [glacially-formed gorge](#) with impressive [sandstone](#) formations along the banks of the [Wisconsin River](#). Together [Lake Delton](#) and the city form "The Dells", an area that attracts millions of travelers each year.

While the House on the Rock began back in the 1940s as a private retreat and was never envisioned as a tourist attraction, it has grown to become what has been termed a "majestic work-in-progress". Since that original structure, it has evolved to include displays and collections of the exotic, the unusual and the amazing, including double-deck carousels, instruments that play themselves and "streets of yesteryear". We have admissions to each of the buildings that will fill your day with unbelievable exhibits, many of them animated, to keep you entertained and amazed . . . which is why we've allowed more time here. We will also be attending an evening performance during our five-day tour; The performance is yet to be announced at the time of publication. We will also be visiting

Circus World in nearby Baraboo.
