

# Great Day! Scheduled Tour Summary

**CLEVELAND, YESTERDAY & TODAY**

**THUR APRIL 7, 2022**

Departures, as applicable, from North Olmsted, Middleburg Heights, Independence, Beachwood, Mayfield.

This sightseeing tour of the Cleveland area will have you seeing many of the highlights of the city of Cleveland, both new and historic. It will be showing you sights and telling interesting stories from the comfort of your motorcoach seat.

But there will also be a couple of “get up and get off the bus” stops along the way, but with limited walking required. We will be including a visit to the International Women's Air & Space Museum, seeing the significant contributions of women to the history of aviation and space travel.

Another stop will be made at the Cleveland Museum of Art in the University Circle area. A luncheon is included in this tour, as always, with the tour being offered at the lowest price in years.

We are pretty sure that, no matter how long you've resided in the Northeastern Ohio, there will be many new things that you will see, and learn, today.
