

Great Day! Scheduled Tour Summary

CINCY'S DINNER TRAIN, UNION STATION & CRUISE SAT-SUN APRIL 9-10, 2022

Departure locations, if applicable, include Kirtland-Mayfield Village, Beachwood, Independence, North Olmsted, Middleburg Heights, Medina, Mansfield, Columbus, Grove City.

Saturday - A coffee stop will be made in the Mansfield area and, a couple of hours later, our next stop will be in Cincinnati at Entertrainment Junction, the world's largest indoor train display with an area of over half a football field. It includes over 2 miles of track, 90 G-scale locomotives and 1000 cars. This railroad museum shows how trains shaped the growth of the United States and was one of the highlights of our past tours, and introduced both rail, and non-rail, guests to a fascinating display.

Entertrainment Junction

Try to imagine that these locomotives are the larger-sized models, made for both indoor and outside layouts, and are as big as 20 to 24 inches in length! We have again added the opportunity to see the behind-the-scenes operations and the intricate computer control system used, just as on the real-life railroads.

The "tour highlight" this evening will be special as we board the **Cincinnati Railway's Dinner-Train**. *Please note that the train is not handicapped-accessible and children under the age of 12 are not permitted aboard the train.*

This 3-hour 1940's-style train excursion in vintage cars includes a 4-course dinner & a cash bar. Trips in the past have included a 40s-style singing group performing songs such as "Chattanooga Choo Choo", "Boogie Woogie Bugle Boy" and other great hits of an era from the past. **All Aboarddd!!!!!!**

Please indicate your meal selection (which we anticipate will again be offered) at the time of booking. If utilizing our online Shopping Cart, please enter your entrée and dessert selections in the "Notes for our processing department" box.

- **Dinner Entrée:** Select prime rib (temperature preference), salmon or chicken.
- **Dessert:** Select chocolate pecan pie or NY style cheesecake.

Those not specifying will be served prime rib and cheesecake.

All tour details are anticipated at the time that the Scheduled Tour Brochure was prepared and specific stops and/or other inclusions are subject to change or elimination without notice. Tours typically depart between 6:15 AM and 8:30 AM with the exact time shown on the itinerary you will receive approximately one to two weeks prior to the tour departure. This tour typically returns about 7 PM to 8 PM, although this may vary.

After we return to the station, we will be traveling over to our hotel for the evening. Have a Pleasant Sleep!

Sunday - A breakfast is included this morning at the hotel. While it is generally available starting at 6 AM, there's no need to rush as we have planned a leisurely morning for you.

This year we have upgraded the inclusions in this already-popular tour . . . and a third meal as well! At the time announced, the coach will depart for Newport Landing where we will board the Sunday **Dixieland Jazz Brunch Cruise** aboard the BB Riverboat. But, before we depart the area, we will be making a stop at the recently-remodeled Cincinnati Museum Center at Union Terminal. The Union Terminal was a significant development in the

history of the area's transportation. One of the last great train stations built, the structure became a city icon and one of the most-widely regarded examples of Art Deco style. Since opening in 1933, the Union Terminal has had a long and storied history, from welcoming soldiers home from World War II to becoming the home of three museums, a theater and the Cincinnati History Library & Archives. This unbelievable rail terminal was designed to accommodate 17,000 passengers and 216 trains each day. Passenger train service left Union Terminal on October 28, 1971, and resumed July 29, 1991, when Amtrak began operating here. Today we will be visiting the magnificent Rotunda.
