

Great Day! Scheduled Tour Summary

WORKS OF A MASTER CARVER

THUR MAY 12, 2022

Departure locations, if applicable, Middleburg Heights, North Olmsted, Independence, Mayfield, Beachwood, Macedonia.

Our staff “scouted out” this Artist’s shop shortly after it opened and were “*blown away*” with what they saw and experienced. The ship carvings, by a fifth-generation Carver of Swiss heritage, are unmatched in any other place that we have visited.

So far, he has completed 89 works of art, intricately carved from antique ivory, ebony wood, and abalone pearl. Be sure to note the details of the ship on the left; the ropes and riggings are actually made from strands of antique ivory that he carved, utilizing an ingenious device he created.

Working daily at his workshop, he is creating the “*History of the Ship, from the 1st Dynasty Egypt, circa 3000 B.C., to the present day*”. There is both a studio or gift shop and you will have time to explore the exhibits during the personally guided tour, typically by the Carver himself.

This one-day package also includes a luncheon after we enjoy a winetasting in the Wine Cellar Shoppe where you will be offered three different regional wines. This vineyard, set in the rolling hills of Ohio, produces a number of award-winning wines, made of grapes, fresh fruit, berries and even dandelions.

Last, but not least, we have included some time at the Walnut Creek Flea Market which was recently expanded. It is an indoor shopping center with quite a variety of vendors. Who knows, you just might find “something special” that you’ve been looking all over for!
