

Great Day! Scheduled Tour Summary

SAFARI THROUGH THE WILDS

WED MAY 25, 2022

Departures, as applicable, from Elyria, North Olmsted, Middleburg Heights, Independence, Beachwood, Macedonia-Boston Heights.

Welcome aboard as we travel to Cumberland, in the Southeastern portion of Ohio.

We will be touring a 9100-acre reserve, safari-style, enjoying what has been restored as a sanctuary for the preservation of wild animals. Much work has gone into this property, land formerly owned by a subsidiary of the American Electric Power Company, is proud to show off its “return to nature” with over three-hundred animals, representing twenty-five different species.

Some of the animals that our passengers typically see include Camels, Deer, Cheetahs, Giraffe, Horned Rhinos, Zebra, Deer, Ostrich, Wild Horses, Red-Crowned Cranes, Swans and so many more.

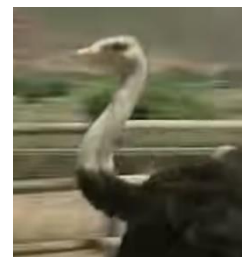

The Wilds is a combination Safari Park and Conservation Center, having been designated an “Audubon Important Bird Area”; the property includes a birding station with covered lookout as well as a butterfly habitat. Besides traveling through this area, we will be seeing how The Wilds is involved in many different conservation methods to reduce the decline of wildlife habitats.

Since we are sure to “work up an appetite”, our staff has arranged for a luncheon for you and a bit of shopping.
