

Great Day! Scheduled Tour Summary

WESTERN MARYLAND DINNER TRAIN SAT-SUN JUNE 4-5, 2022 **WITH VISITS TO HORSESHOE CURVE, A MODEL RAILROAD & HIGHWAY LANDMARKS**

Departures, as applicable, from Westlake, North Olmsted, Middleburg Heights, Independence, Beachwood, Macedonia.

Join us on a railroad-themed tour that centers on a trip aboard the Western Maryland Dinner Train. The Western Maryland Railway originally operated in Maryland, West Virginia and Pennsylvania from 1852 to 1983. Our tour will be aboard their “*top of the line*”, *Evening Paradise Dinner Excursion*. Enjoy the ambience of days gone by as we travel along the Great Allegheny Passage, from Cumberland to Frostburg, and dining on a delicious Filet Mignon Dinner, generally concluding with a specialty dessert. A cash bar is available to top off your evening.

We’ve included a visit to the Horseshoe Curve, a three-tracked railroad curve that was an “*engineering marvel*”; it opened in 1854 and is now a National Historic Landmark. This construction project reduced the time to travel from Philadelphia to Pittsburgh from 20 days to just 15 hours. It is currently part of the Norfolk & Southern Railway’s Pittsburgh Line. At the Railroad Memorial Museum, we’ll follow the history of the Curve.

We’ll also be going back in time when Highway 30 was the “*Lincoln Highway*” with its many iconic structures to amuse travelers and attract customers. An 18-foot high Coffee Pot was built in 1927. Originally a lunch stop next to a gas station, it was converted into a bar in 1937, complete with a hotel built behind it. In 2004 the people of Bedford purchased the Coffee Pot (for \$1 . . . a lot less than a cup of coffee at many places), restoring this icon to its previous glory. In keeping with the “railroad theme”, we are anticipating that a brief stop will also be made at a “Community Model Railroad” display with its O-gauge trains.
