

Great Day! Scheduled Tour Summary

LATE SPRING BRANSON GET-AWAY

SUN-THUR JUNE 12 - 16, 2022

Departures, as applicable, from Mayfield, Beachwood, Independence, Middleburg Heights, Medina, Mansfield, Columbus-North.

We've included some brand-new shows as well as a couple of "favorites" in this specially-priced tour to get your travel year off to a great start. After all, there is nothing as special as "*Late Spring in Branson*".

You'll be taken back by the Branson region's natural beauty and the wonder of the Ozark Mountains . . . as it awakens to the freshness of the pristine Spring air. Best of all, we are offering this tour at the same price as our June 2019

Branson Tour; What a Deal! Our show selections should add "*sparkle to your spring*" or, perhaps, "*spring to your walk*". What could get us more into the mood than starting with some "*California Dreamin'*" with all your favorite Beach Boy tunes of the surf rock era?

And, if you've been "*yearning for a cruise*", we can take care of that too, even if it is a late afternoon cruise on Table Rock Lake in the Ozarks. We will board a beautiful Showboat and enjoy the shows that feature entertainers who sing, dance and put you into a "feel good mood" as we dine during our "voyage", albeit just a couple of hours.

The "*Mansion of Dreams*", featuring Branson's Entertainer of the Year, is a unique show, hosted by a great illusionist. We are adding this performance to our itinerary for the first time for your enjoyment.

All tour details are anticipated at the time that the Scheduled Tour Brochure was prepared and specific stops and/or other inclusions are subject to change or elimination without notice. Tours typically depart between 6 AM and 8 AM with the exact time shown on the itinerary you will receive approximately one to two weeks prior to the tour departure. Most tours return about 8 PM to 10 PM, although this may vary.

The Haygoods are known for their incredibly tight harmonies, energetic choreography and incredible special effects, all while playing over 20 instruments. This group performs all types of music, from the 60s through today. Making it even more interesting, some of the songs are presented in a very unique way with state-of-the-art production that is most dramatic.

We've included a visit to the Grand Village complex and an additional performance. This show is hosted by Branson's Top Vocalist for eight years, Doug Gabriel, and we've selected this as our "closing show" of the tour since it is a feel-good Variety Show that has something for everyone.
